INT. corporate offices - front desk - morning

LANCE WALICZEK, 30s, handsome, expensive executive t stands
ance stands at door, He pauses, takes deep breath, fixes
eyes downwards, then briskly walks through busy office. Many
greet him with "Mr. Waliczek". Each time he nods slightly
but keeps eyes fixed downwards.

LANCE (V.O.)

Now you might think I'm some
ruthless finacial type, but
actually, the opposite's true. I'm
not ruthless because I never had to
climb my way to the top. I was born
on top. My already on top parents
made sure I had every advantage,
sent me to all the right schools,
enrolled me in all the right
activities. I knew from a very
early age that as long as I stayed
on course I'd stay on top, which I
did so I am.

INT. EXECUTIVE OFFICE - MORNING

Lance now breathing heavily, shuts door quickly, stops to
catch his breath.

LANCE (V.O.)

I've got no complaints. Well mabye
I've got one small complaint. When
you're on top its easy to get
people to obey you, but getting
them to be your friends... that's
turned out to be a little harder. A
lot harder actually. I used to be
close to people. I thought we were
friends. But I've invested so much
entergy and focus becoming a Vice
President that I've lost touch. I
can hardly remember their names.
And I feel bad about. 'Cause lately
I've been... I guess... Lonesly

INT. CORPORATE OFFICES - DUSK

Lance peeks out his office door, see wall clock reads
7:01PM, hurriedly exits office and through empty offices.

LANCE (V.O.)

Its didn't used to be a big deal
but lately it seems to be affecting
me. How? It's hard to explain.

EXT. RESIDENTIAL CITY STREET - DUSK

Lance walks past elegant refurbished brownstones. 4TH GRADER
#1 & #2, schoolboys in uniform, chat on stoop. Lance timidly
waves with one finger.

LANCE

Hi kids.

The kids stop talking, look at Lance. Lance breaks eye contact, quickens pace.

LANCE

(high pitched cry)

Ahh!

Lance bolts. Kids don't bolt, resume chatting.

EXT. ELEGANT BROWNSTONE - DUSK

Lance frantically unlocks front door.

INSIDE

Lance bursts inside. Slams and locks door. He exhaustedly slides to floor.

LANCE (V.O.)

I'm sure its all in my head but lately I've just been thinking it would nice to talk to hang out with people who aren't my parents. But I'm not sure how to do that.

Mail gets pushed through slot. He picks up large envelope.

INSERT - COLBY COLLEGE RUENION INVITATION

Lance's name and address are handwritten after multiple addresses have been crossed out. Cancellation stamps suggest its been misdelivered multiple times.

ROLL OPENING CREDITS

Reunion invites travel from Colby, through postal system, to a variety of mail receptacles. A variety of hands grab invites. One invite is read, another is used as coffee coaster, and so on. The last invite is dropped into a public trash can onto a bowl of 1/2 eaten mac-n-cheese.

EXT. DOWNTOWN PORTLAND SIDEWALK - DAY

RECENT COLBY GRAD, 20s, professional woman, walks through rain with umbrella emblazoned with the word COLBY.

ERIC (O.S.)

Did you go to Colby?

ERIC DAVIS, 30s, homeless man, pulls discarded mac-n-cheese out of public trash can, eats.

RECENT GRAD

I don't have any money.

ERIC
No. Your umbrella. Did you go to Colby?

RECENT GRAD
Yes.

ERIC
Me too! Class of '98!

Eric pulls up many layers of heavily soiled clothes to reveal tattered "Colby" t-shirt.

RECENT GRAD
Disgusting!
(points at umbrella)
This isn't the junior college in New Hampshire. This is the small ivy league college in Maine.

ERIC
I know! That's where I went!

RECENT GRAD
You went to Colby College in Waterville, Maine?

ERIC
Fellow alumni.

RECENT GRAD
We're not fellow anything. You didn't go to my college.

ERIC
Your college? Sorry to break it to you, but Colby's my college too.

RECENT GRAD
Not anymore. And since you want money so badly here's a tip: pretending you went to college makes you look ignorant.

Recent Grad walks off. Eric talks to himself.

ERIC
Ignorant?

RECENT GRAD
Quit harassing me. I don't have any money.

ERIC
I didn't ask for money.

RECENT GRAD
Lay off! I don't have any money, jerk!

Eric reaches into trash, pulls out soiled reunion invite.

EXT. MOM'S HOUSE - DAY

PERCY RODGERS, 30s, pudgy, wheels his kids suitcase across front yard. Percy halts, hollers back at open front door.

PERCY

And don't try and stop me!

MOM (O.S.)

Okay dear. Have fun.

PERCY

I don't think you under the gravity of this situation! I'm really gonna do it this time!

No response.

PERCY

Here I go! I'm running away!

MOM (O.S.)

36 year olds can't run away, dear.

PERCY

Quit telling me what I can't do!

MOM (O.S.)

You're right, baby. I'm sorry. You can do anything you set your mind to. Now let me shut the door before we get a bunch of flies in here. I love you, sweetie. Dinner's at 5.

Front door shuts.

PERCY

I'm not just gonna hide behind a tree this time!

Percy walks to edge of yard, pulls reunion invite out of pocket, considers it, looks back.

PERCY

I love you too, Mom.

INT. COLBY ALUMNI CALL CENTER - DAY

Room filled with callers in cubicles. ASSISTANT, ELIZABETH BROWN, 60s, is only caller not on phone. DEAN OF ALUMNI RELATIONS, PHYLLIS MCCRACKEN, 40s, looms over Assistant.

DEAN MCCRACKEN

Get back on the phone! You're costing me money!

Assistant holds up a pledge card.

ASSISTANT
\$1,000 seems really high.

DEAN MCCRACKEN
Oh, does it? I didn't realize you
were the expert on what people
could afford.

ASSISTANT
I'm not but--

DEAN MCCRACKEN
These pledge amounts you're whining
about. That call script you're
reading. They were scientifically
calculated by computers. You think
you're smarter than computers?

ASSISTANT
No, uh--

DEAN MCCRACKEN
Oh look. Everyone who wants to keep
their job is on the phone right
now.

EXT. INTERSTATE 95

ARTHUR "TUGGY" GALE, 30s, jeans, sneakers, overly loved
'Colby' sweatshirt. Answers cellphone.

TUGGY
Tuggy. What's up?

INTERCUT BETWEEN ASSISTANT AND TUGGY

Assistant reads mechanically from script.

ASSISTANT
Hello. I'm calling from Colby
College. I wanted to remind...

TUGGY
Liz? Is that you?

ASSISTANT
Yes.

Assistant steals a glance at hovering Dean McCracken.

TUGGY
Already on my way. Dragon lady
having you do some last minute
begging before reunion kicks off?

ASSISTANT
Possibly.

Dean McCracken gesticulates angrily, whisper yells.

DEAN MCCRACKEN
Stick to the script, idiot!

ASSISTANT
Um... Uh... I wanted to remind you
that your 15 year reunion is coming
up.

TUGGY
She's watching you, isn't she.
Cough if she's there.

ASSISTANT
(cough)

Dean McCracken looks at Assistant suspiciously, presses
speakerphone button.

TUGGY
Just in case this call is being
monitored for quality assurance.

DEAN MCCRACKEN
(whispered disgust)
Tuggy.

TUGGY
Yes, I will be attending reunion.
Yes I have already registered. Yes
you have my correct address on
file. Yes, you can inquire about
my occupations. Put me down for...
a world famous lion tamer.

Assistant starts to write, stops when Dean McCracken whisper
yells.

DEAN MCCRACKEN
Don't you dare write that.

TUGGY
Is someone there? Anyway. Whee was
I? Oh yes. And no, I will not be
donating a dime to Colby College.

DEAN MCCRACKEN
The nerve.

TUGGY
Excuse me? What was that? As I was
saying. I can't in good conscience
donate to a multi billion dollar
BUSINESS, which is what Colby
College is. Instead I'll be
donating money to actual poor
people and I'll again be
encouraging all my classmates to do
the same.

Dean McCracken pushes Assistant to the ground, takes over seat, yells into speaker phone.

DEAN MCCRACKEN
How dare you!

TUGGY
There she is.

DEAN MCCRACKEN
You ungrateful loser!

TUGGY
Wow. You're really good with alumni.

DEAN MCCRACKEN
You just keep pushing, don't you?
You've got no idea what I'm capable of, Arthur.

TUGGY
The name's Tuggy. And that's a good question. What are you capable of?

Dean McCracken violently hangs up. Callers, off phones, stare at her. Dean McCracken throws Assistant's pledge cards across the room.

DEAN MCCRACKEN
Pick those up! Why aren't you people on the phone?!

EXT. DRIVEWAY - DAY

Lance, tailored suit, carries too much luggage past parked Porsche 911, climbs into idling limo.

INT. LIMO - DAY

LIMO DRIVER
Where to, sir?

LANCE
I'm not entirely sure.

Lance hands driver reunion invite.

LANCE
There's a map in this invitation.

EXT. INTERSTATE ON-RAMP - DAY

Eric holds cardboard sign: NEED RIDE TO COLLEGE REUNION. Car pulls over.

RIDE GIVER
That's funny. Hop in.

As Eric, climbs in Tuggy's truck races by. Follow truck.

EXT. INTERSTATE 95 - MONTAGE

Tuggy pushes in cassette tape.

MUSIC CUE: Choral version of Colby's alma mater.

- Tuggy vigorously sings along.
- Percy looks out bus window.
- Lance looks out limo window.
- Eric looks out car window.

EXT. INTERSTATE 95, WATERVILLE MAINE EXIT - DAY

Eric dropped off next to green info sign: COLBY COLLEGE - 2MI. The iconic spire of Colby's Miller Library towers above the distant treeline.

EXT. CAMPUS LAWN - DAY

Assistant drives Dean McCracken in golf cart. Dean McCracken snaps, points at ground.

DEAN MCCRACKEN
Brown spot. Stop! Brown spot!

Assistant stops cart, gets out, sprays green paint on spot.

DEAN MCCRACKEN
While you're at it put up a deer
and two squirrels by that tree.

Back of cart is filled with fake woodland animals. Assistant wrestles with plastic deer. The voice of SECURITY GUARD TED, 60s, crackles over Dean McCracken's walkie-talkie.

SECURITY TED (V.O.)
We've spotted dirty rat, over.

EXT. ADMINISTRATION BUILDING PARKING LOT - DAY

Security Ted, and SECURITY GUARD ROOKIE, 20s, slowly approach plain white van.

INSIDE VAN

Outfitted with surveillance equipment. CAMPUS BOMBER, 30s, spies on building with binoculars, security come into view.

INTERCUT BETWEEN SECURITY AND CAMPUS BOMBER

DEAN MCCRACKEN (V.O.)
I don't need s play by play you
idiots! Move in! Go!

Security Rookie unholsters taser. Campus Bomber lowers binoculars, closes his eyes, shakes head, puts hands up. Security Ted lunges... under van.

UNDERNEATH VAN

Security Ted flounders on stomach and gropes for something.

SECURITY TED
Come here, cat!

SECURITY TED'S POV

CAT, 15 years old, covered in matts, hisses. Soiled collar only indication cat is not wild. Cat darts off.

INSIDE VAN

LOUD NOISES below van. Campus Bomber, frozen with hands up, darts eyes about.

SECURITY TED (O.S.)
He's going out the front!

Campus Bomber watches Security Rookie chase escaping Cat. Security Ted pops up, lumbers after them. Campus Bomber slowly lowers hands.

ADMINISTRATION BUILDING PARKING LOT

Campus bomber starts van, peels out. Security doesn't notice.

DEAN MCCRACKEN (V.O.)
What's happening!?

SECURITY TED
He got away.

EXT. CAMPUS LAWN - DAY

Dean McCracken hollers into walkie-talkie as Assistant drives golf cart.

DEAN MCCRACKEN
You imbeciles! Who's gonna donate money when some mangy cat is killing grass all over campus with its pee?!

She slams walkie-talkie down.

ASSISTANT
Maybe it's not the cat? Sometimes grass just dies.

DEAN MCCRACKEN
Not on my campus it doesn't!

They arrive at Student Union, park.

INT. HIDDEN BOMB

Bomb timer continues count down.

INT. STUDENT UNION LOBBY - DAY

Assistant sits behind table filled with bins of registration packets. Lance stands at table while Assistant types into laptop.

ASSISTANT
Lance Waliczek, class of '98,
right?

LANCE
Yes.

ASSISTANT
Hmmm. Our system must be on the
fritz.

Dean McCracken walks up with clipboard.

DEAN MCCRACKEN
Have you ever made a donation to
Colby before?

LANCE
No.

DEAN MCCRACKEN
That's why you can't find him. And
I assume you couldn't be bothered
to register ahead of time like we
repeatedly asked you to do?

LANCE
I'm sorry. I didn't. I didn't know
I was coming until--

DEAN MCCRACKEN
You'll have to stay downtown. Your
class dorm is full.

ASSISTANT
It is?

LANCE
I completely understand. I'm happy
to pay any late fees or whatever
you need to charge me.

ASSISTANT
That's okay. We don't have late--

DEAN MCCRACKEN
The late fee is \$25. I mean \$100.

LANCE
That's fair.

DEAN MCCRACKEN
Is it? Of course it's \$200 if you
stay in the dorms?

Lance is unphased by amount.

LANCE
That would have been very fair too.

DEAN MCCRACKEN
Let me check my room list one more
time. I'd hate have you stuck
downtown while everybody else is up
on campus having fun.
(barely scans clipboard)
How'd I miss this. We've got 1
room left.

Assistant flashes skeptical look.

DEAN MCCRACKEN
It's a quad, though. \$1000 a night?

Assistant flashes stunned look.

LANCE
I'll take it.

DEAN MCCRACKEN
And of course you'll make a
donation to the college.

LANCE
Is that what everyone else does?

Assistant and Dean McCracken answer at the same time.

ASSISTANT
No.

DEAN MCCRACKEN
Yes!

LANCE
How much do people normally give?

DEAN MCCRACKEN
It can vary but typically... two
thousand dollars?

LANCE
Okay.

DEAN MCCRACKEN
Okay! \$2000! Get this gentleman a
packet!

ASSISTANT
But the computer's still--

DEAN MCCRACKEN
Now!

Moments later out-of-breath Assistant shoves armful of materials into packet, hands to Lance.

ASSISTANT
You might want one of these too.

Hands Lance a campus map.

LANCE
Thank-you. Everything looks so different.

ASSISTANT
There's been a lot of construction in the last 15 years.

LANCE
When did this new student center get built?

DEAN MCCRACKEN
1925.

Dean McCracken scowls suspiciously. Lance is flustered.

ASSISTANT
But it's been completely remodelled.

LANCE
That would explain it.

Lance leaves. Dean McCracken smiles and waves.

DEAN MCCRACKEN
Enjoy reunion!
(quietly to self)
You'll be billed for the map.

Percy steps forward.

PERCY
Percy Ellison. Class of '98.

Dean McCracken and Assistant don't notice Percy.

PERCY
(clear throat)
Percy Ellison. I'd like to register, please.

Still no response. Dean McCracken turns to Assistant.

DEAN MCCRACKEN

It's dead in here. I'm going back to the office. Why don't you run over to the printers and pick up an order for me. And no looking! It's private! Got it? Now go. Fetch.

Dean McCracken leaves. Assistant follows. Percy is alone.

EXT. COLBY COLLEGE MAIN ENTRANCE - DAY

Eric walks under temporary banner: "WELCOME HOME ALUMNI".

EXT. CAMPUS SIDEWALK - DAY

Lance puzzles over campus map. An engine REVS. Lance looks up, sees pickup facing him in nearby parking lot. Pickup lurches onto sidewalk. Lance leaps back, falls. Tuggy, in ragged "Colby" sweatshirt, leans out truck.

TUGGY

You look lost. Need help?

LANCE

No, thank-you.

TUGGY

Lots of changes, right?

LANCE

Are you allowed to drive on the sidewalk?

TUGGY

No. High five!

Tuggy holds hand out until Lance gets to his feet and meekly high fives.

TUGGY

Lance Waliczek?! Class of '98?!

LANCE

(smiles)

Yes. Do you know me?

TUGGY

No. I read your nametag. I'm Tuggy. Also class of '98. I'm sure we hung out at some point.

LANCE

I didn't hang out much when I went here.

TUGGY

Well we can hang out now. Hop in. I'll give you ride to the class dorm.

LANCE
I prefer to walk.

TUGGY
I get it. Beautiful day. Here.
Take one.

Tuggy hands Lance a green envelope. It reads "15th Reunion Alternative Fund Drive".

TUGGY
See you around, Lance.

Tuggy SCREECHES off. Lance resumes map reading. Mumbles to self.

LANCE
I hope I don't see him around.

Tuggy SCREECHES to halt, reverses. Lance has face of someone who's been caught talking behind someones back.

TUGGY
By the way... our dorm is right
behind you.

Lance turns around and sees dorm with banner above entrance: WELCOME CLASS OF '98. Tuggy honks a couple of times.

CLASSMATES (O.S.)
Tuggy!

INT. DORM UPSTAIRS HALLWAY - DAY

Lance walks down hall as reunion goers pop in and out of rooms, laughing and chatting. Lance half smiles at those he passes but he doesn't appear to really know anyone. He stops at closed door at end of hallway, and keys in.

INT. DORM ROOM - DAY

A typical empty dorm room with 2 sets of bunk beds, simple dressers, desks, and chairs. Tuggy is emptying a large black trash bag of clothes onto the floor. He looks up and flashes a huge grin.

TUGGY
Lance?! What's up, roomie!

Lance rushes over, puts arm around Lance, steers him inside. Lance displays painful, faked smile

LANCE
They didn't tell me I was going to
have a roommate.

TUGGY
That's because they didn't know. I
didn't tell them.

LANCE
I think you have to register If
you're gonna--

TUGGY
My parents paid Colby over
\$100,000. I think I'm registered.

LANCE
How'd you get in?

TUGGY
Master key. Still works. Look. You
didn't come to reunion to hang out
by yourself, did you?

LANCE
No.

TUGGY
So I'm doing you a favor! Top bunk!

Tuggy tosses a handful of his junk on bed.

INT. DORM UPSTAIRS HALLWAY - DAY

Percy walks down empty hallway. He overhears classmates
conversing in a room, approaches open door.

PERCY
Hey guys.

Door slams on Percy.

EXT. DORM - DAY

Eric walking. Pull out to see Security Ted and Security
Rookie tailing Eric in golf cart. As Eric nears dorm,
Security Rookie jumps out, unholsters taser. Alumni gather.

TUGGY (O.S.)
Eric Davis?!

Tuggy hollaring out dorm window.

TUGGY
Don't move! I'm coming down!

ERIC
I don't think I'm going anywhere.

Eric is surrounded. Tuggy explodes out door, pushes through
crowd, gives Eric a bear hug.

TUGGY
Eric! Look at you! You look...
great! So the rumors are true, huh?

ERIC
What? That I'm homeless?

TUGGY
No. That you... got into medicine.

ERIC
Cardiac surgeon. That's me.

Tuggy & Eric laugh. Tuggy hugs him again.

TUGGY
I can't believe you made it, man!

ERIC
I wouldn't exactly say I've made it.

Security Ted pushes Rookie's taser down.

TUGGY
Dude. You're staying in my room.

Lance watches from the window, winces. Tuggy puts arm around Eric, walks him into dorm. CLASSMATE #1 & #2 watch them.

CLASSMATE #1
Of course he knows the homeless guy.

INT. DORM ROOM - DAY

Tuggy exuberantly pulls Eric into room.

TUGGY
You guys remember each other?

ERIC & LANCE
No.

TUGGY
Lance meet Eric, my oldest Colby friend. Eric meet Lance, my newest Colby friend.

ERIC & LANCE
He's in our class?

Eric offers his hand. Lance apprehensively shakes. Percy appears in doorway.

PERCY
Hey guys.

No one responds. Encouraged, Percy slips into room.

TUGGY
Too bad Craig can't be here.

LANCE
Who's Craig?

ERIC
Our classmate, Craig Olson? The guy
who died in the motorcycle
accident.

LANCE
That's awful.

ERIC
It could have been worse. He could
still be alive.

TUGGY
Or maybe Craig can be here!

Tuggy pulls golden urn out of backpack.

ERIC
Tuggy, tell me you didn't dig Craig
up on the way to reunion.

TUGGY
Of course I didn't. I'm not a
freak.

LANCE
You brought a dead person to
reunion?

ERIC
Why do you have Craig's ashes?

ERIC
His mom gave them to me after the
funeral. She asked me to spread
them around campus.

ERIC
Tuggy, Craig died 14 years ago.
Don't you think you should have
scattered them by now?

TUGGY
What makes you the expert on what
to do with dead people?

ERIC
You don't wanna know.

Tuggy heaves urn and backpack onto last open bunk bed which
Percy was about to claim.

PERCY
I'll just sleep on the floor.

Lance's WRIST WATCH talks in seductive female voice.

WRIST WATCH
Welcoming party in 5 minutes.

Lance speaks into his watch.

LANCE
Thank-you.

WRIST WATCH
Welcoming party in 5 minutes.

LANCE
Thank-you, watch.

WRIST WATCH
Welcoming party in 5 minutes.

Lance frantically pushes watch buttons.

LANCE
Please stop.

Watch stops. Tuggy and Eric stare blankly at Lance.

LANCE
My watch is synched to my calendar.

TUGGY
Of course it is.

Eric shows exceedingly dirty, watchless wrist.

ERIC
Who doesn't synch their watch with
their calendar?

LANCE
I better go.

Lance sheepishly exits.

TUGGY
Man that guy is terrified. We
better look out for him this
weekend.

ERIC
Yup. Better look out for the highly
successful guy in the nice clothes.
Wouldn't want anything bad
happening to him.

TUGGY
You are still a sarcastic son of
a...

ERIC
 Why thank-you kind sir. Lets head
 downstairs. I don't want to get
 yelled at by Lance's watch

They stand, Tuggy puts arm around Eric, they exit. Percy follows.

INT. DORM LOBBY - DUSK

--- HERE IS WHERE LANCE SHOULD BE BY HIMSELF TO START
 SCENE - HAS SOME AWKWARDNESS WHERE HE DOESN'T KNOW ANYONE
 AND ONLY THEN DOES TUGGY ET ALL COME DOWN. DURNING THIS
 PARTY IS WHEN TUGGY BRINGS LANCE UNDER WING. FEEL LANCE
 FREEKING OUT SO WE FEEL JOY OF TUGGY SAVING THEM. LANCE HAS
 TO BE SWEATING - NOT KNOWING ANYONE - THEN ALZHEIMERS
 SCENE... ONLY THEN DOES LANCE SAVE HIM.

Welcome Table

Large common room decorated as class of '98 reunion
 headquarters. CLASS PRESIDENT JUDE greets classmates at
 check-in table.

DR. MATTHEW MORDAY stands on other side of table with
 PERFECT WIFE, PERFECT SON, and FREEDOM the Golden Retriever.

DR. MORDAY
 Who's the most talented doctor in
 the world?

Freedom BARKS.

PERFECT WIFE & PERFECT SON
 You are!

Dr. Morday pats Freedom, kisses Perfect Wife, and gives
 Perfect Son a dollar.

DR. MORDAY
 Come.

Dr. Morday gives 'Come' hand signal, walks off. Family
 obediently follows.

LANCE
 Who was that?

ERIC
 A conceited jerk. You'd be better
 off hanging out with a homeless
 guy. Oh. I see you've taken my
 advice.

JUDE
 Welcome to reunion, gentlemen.

TUGGY

Jude!

Tuggy high fives Jude. He grabs 4 HELLO MY NAME IS stickers, fills them out.

JUDE

Tuggy, this party is for...
classmates only.

Jude points at Eric. Tuggy slaps 1st sticker onto Lance.

TUGGY

Are you talking about Lance? He's
in our class.

JUDE

No. Not. Nevermind.

Tuggy slaps 2nd sticker on himself, 3rd on Eric. Percy holds hand out for 4th sticker but Tuggy places it in his pocket instead. 4th sticker reads: CRAIG OLSON

JUDE

Would any of you like to donate to
Colby?

ERIC

Thanks.

JUDE

Not you.

Jude and Eric have a small tug-o-war over envelope. Eric prevails, stashes it in his dirty clothes.

TUGGY

Do you mind if I grab a couple?

JUDE

That'd be great!

Tuggy grabs box, empties every blue envelope into trash.

JUDE

Tuggy.

TUGGY

Jude, I know how badly Colby needs
money but...

Tuggy pulls out a wad of green envelopes, places them into box, sets on table. Tuggy offers Jude a green envelope.

TUGGY

It seems like poor people could use
the money a little more.

JUDE

Fine. Give me one.

TUGGY

Alright gentlemen, let's mingle!

Roomies walk off. Percy fills out his own sticker. Percy notices sign that reads: LOST CLASSMATES. There are only 2 entries: PERCY ELLISON, CAMPUS BOMBER.

PERCY

Excuse me. I'm Percy Ellison. I'm not lost.

Jude doesn't notice Percy.

AROUND ROOM

Tuggy is warmly received by many classmates. He hands out green envelopes as he visits.

SNACK TABLE

Eric eats a grape. Pull out to see other classmates put plates down.

AROUND ROOM

Percy squeezes between 2 chatting classmates who don't react to his presence.

CORNER OF ROOM

Classmates chat and laugh with one another. Lance stands in the middle talking to no one. Dr. Morday approaches.

DR. MORDAY

Who are you?

LANCE

Lance Waliczek.

DR. MORDAY

You remember me of course.

Lance reads Dr. Morday's nametag.

LANCE

Dr. Morday? I'm sorry. I don't. I didn't socialize much when I went here.

DR. MORDAY

I see.

LANCE

I've forgotten so much about this place it almost feels like I had a stroke.

Lance laughs nervously. Dr. Morday strokes chin.

DR. MORDAY

No. I don't think you had a stroke.

LANCE

Phew. Coming from a doctor that makes me feel better.

DR. MORDAY

It seems more like Alzheimer's. You should get that checked out immediately. Enjoy reunion...

Dr. Morday grabs Lance's lanyard.

DR. MORDAY

Lance.

WELCOME TABLE

Eric stands by himself, furtively looks about. He quickly pulls out 2 grubby dollars, stuffs them into his blue envelope, reaches for collection box.

CLASSMATE #2

Hey! Get away from there!

Classmate #2 runs over, takes Eric's donation.

AROUND ROOM

Tuggy offers a green envelope to Dr. Morday.

TUGGY

Interested in donating?

DR. MORDAY

Your homeless pals won't be getting a handout from me.

TUGGY

This was a mistake.

Dr. Morday points at the DR. title on his nametag.

DR. MORDAY

This was a mistake, Doctor!

TUGGY

I didn't think podiatrists were real doctors.

DR. MORDAY

Well what have you done with your life, huh, Arthur?

TUGGY

It's Tuggy.

DR. MORDAY
You certainly knew what you wanted
out of college, and it wasn't an
education.

TUGGY
Well I graduated so... I think I'm
time for another beer.

DR. MORDAY
Always time for a beer, right
Arthur?

Tuggy turns away in disgust.

PUPPET GIRL (O.S.)
(silly high voice)
Hi Arthur. Do you want to study for
our test?

Tuggy slowly turns back. Dr. Morday pretends his hands are
PUPPET GIRL and PUPPET TUGGY.

PUPPET TUGGY
(silly low voice)
Let's get a beer instead!

TUGGY
What are you doing?

PUPPET GIRL
Did you write your term paper?

PUPPET TUGGY
I have an idea for a term paper.
It's called 'Let's Get a Beer!'

TUGGY
Are you making fun of me or
yourself right now?

PUPPET GIRL
Have you picked your major?

PUPPET TUGGY
Beerrrrrrrrrrrr!

DR. MORDAY
Oh man! You were pathetic. Still
are from the looks of it. Enjoy
reunion, Arthur.

Dr. Morday pats Tuggy on back, walks off.

TUGGY
You're pathetic!

BETH JONES appears.

BETH

Tuggy?

Tuggy reaches for a handshake, grins when she hugs him.

TUGGY

Beth! Thank God you showed up. I forgot how unlikeable Morday is.

BETH

Did you really?

TUGGY

Okay. No. I didn't.

BETH

A guy like that kinda sticks in your head, right?

Tuggy points two thumbs at himself, grins goofily.

TUGGY

Does a guy like this stick in your head?

BETH

Who could ever forget Tuggy? Look at you. You look great. You look exactly like you did back in '98.

TUGGY

That's because this is the same outfit I wore back in '98. You're still hot.

BETH

Tuggy!

TUGGY

What? You are. Fact. Is your husband gonna beat me up for telling the truth?

BETH

There's no husband anymore. Unfortunately he was the kind of guy who stuck in his secretary's head.

TUGGY

Awesome!

BETH

Your enthusiasm for my painful divorce is touching, Tuggy.

TUGGY

I'm just saying I'm glad you're back on the market. And thank God you're not gonna bore me with another 'Hi, meet my husband blah blah blah' We're in college, people. Leave the families at home.

BETH

So you left your wife and kids at home?

Tuggy chokes on his beer.

TUGGY

Kids?! Nooooo! It'd be bad enough if I had a wife but kids?! Can't. Breathe.

Tuggy grabs his throat, falls to ground, pretends to choke. When Tuggy opens his eyes, BETH'S SON, 7 years old, stares down at him.

BETH'S SON

Is he hurt, mom?

BETH

He's just pretending, sweetie.

TUGGY

Mom?!

BETH'S SON

I couldn't leave him with a babysitter all weekend.

TUGGY

(ventriloquist voice)

Tuggy.

(normal voice)

Did you guys hear that?

BETH'S SON

What was it?

TUGGY

I think the cheese wants me to eat it. I better go.

(pulls out envelopes)

Here, kid. Get people to fill these up. Good to see ya, Beth.

Tuggy crawls away.

BETH'S SON

He's funny. I like him, mom.

BETH

Tuggy's very funny. I like him too.

SNACK TABLE

Lance, Eric, Percy silently watch party. Tuggy crawls over.

TUGGY
How's it going guys?

LANCE
I think I have Alzheimer's.

ERIC
Still homeless.

PERCY
I think I might be a ghost.

TUGGY
Awesome. Keep it up, guys. Beth's
dead to me.

ERIC
Beth Jones? You love, Beth.

TUGGY
She's got a kid.

ERIC & PERCY
So.

TUGGY
She's got a kid!

LANCE
I don't like children.

TUGGY
Exactly.

ERIC
Beth's like the only person on this
planet who gets your jokes.

TUGGY
People get my jokes.

ERIC
Yeah but she laughs at them. This
is the same Beth you said you'd do
anything to go out with?

TUGGY
Anything doesn't mean raise some
other dude's baby.

LANCE
Technically it does mean that.

ERIC

Tuggy. We're over 30. People our age have kids. It's normal.

TUGGY

Normal? Just because all these lemmings got married and had kids doesn't make it normal. Look at us. We didn't do that and I think we look pretty normal.

Group shot of roomies. They do not look normal.

INSIDE VAN

The Campus Bomber does surveillance.

HIDDEN BOMB

Bomb timer continues count down.

DR. MORDAY (V.O.)

Stop him! He's stealing my dog!

SNACK TABLE

Freedom licks Eric. Eric lovingly pats Freedom. Dr. Morday rushes over and drags resisting Freedom away.

DR. MORDAY

Who let Tuggy's homeless mascot in here anyway?

CLASSMATE #2

I caught him stealing money from the donation box.

ERIC

I was making a donation.

TUGGY

That box is empty anyway. Nobody in our class donates.

Tuggy grabs box.

DR. MORDAY

I do.

Tuggy turns box upside down. Nothing falls out.

TUGGY

See.

CLASSMATE #2

It's 'cause he stole everything. And check out his nametag.

Classmates whisper.

TUGGY

What?! It says Eric Davis. That's his name. You guys really don't recognize, Eric?

BETH

Tuggy, Eric's dead.

TUGGY

He's not dead. Look. About a year after we graduated, Eric and I had this idea.

ERIC

You had the idea.

TUGGY

You guys remember what it was like back then. We're all dirt poor and Colby just kept begging for money.

DR. MORDAY

Some of us still are dirt poor.

TUGGY

Anyway, Eric and I got to joking about what it would take to stop all the spam, and the next thing I know... I'm calling Colby and telling them Eric's dead. Guys, it was hilarious!

ERIC

They never asked me for money again. You should all kill yourselves.

DR. MORDAY

You think passing this homeless creature off as a dead classmate is hilarious?

ERIC

I'm not quite dead yet.

CLASSMATE #1

Well you're dead to us.

CLASSMATE #2

Why don't you go back to your homeless shelter.

TUGGY

What's your problem?! Eric's your classmate!

CLASSMATE #1

You guys are the problem.

DR. MORDAY
Grow up, Tuggy. You're not in college anymore.

Dr. Morday walks off, classmates follow.

TUGGY
Then what's this place? It sure looks like I'm in college. They really don't recognize him. You recognize him, right?

LANCE
Kind of.

Percy pulls an old Colby id out of Eric's clothes.

PERCY
It's Eric all right.

Beth approaches Eric.

BETH
It's nice to see you again, Eric.

BETH'S SON
Why are you so dirty?

BETH'S SON
Sweetie, that's not polite.

ERIC
It's okay. This is what happens when you don't listen to your mom.

AROUND ROOM

BABY yawns in a carrier next to CARSON, a classmate.

CARSON
Uh oh. Someone's a wittle sweepy.

Tuggy stands bolt upright with worried expression.

TUGGY
No.

Carson kneels down, baby talks to Baby.

CARSON
Someone needs to get to bed, don't they?

TUGGY
No.

Carson stands back up, addresses crowd.

CARSON

I think we're gonna call it a night, everyone.

TUGGY

No!

The music stops mid-song. Classmates put drinks down, say goodnight to each other.

TUGGY

It's only 10 o'clock!

CLASSMATE #1

Good night everyone.

Tuggy watches classmates in a panic, runs behind Carson, furtively snatches baby carrier, heads for exit.

ERIC

This can't be good.

Tuggy gesticulates to roomies, mouths words.

TUGGY

Guys! Come on!

Alarmed Lance points at himself.

TUGGY

Yes, you too! Let's go!

EXT. DORM - NIGHT

Tuggy runs with carrier. Roomies follow. Only Tuggy is laughing.

LANCE

This is kidnapping.

TUGGY

This isn't kidnapping. Is it?

Eric nods his head 'Yes'. 50TH REUNION MEMBER #1 & #2 approach. Tuggy stops immediately. Others bump into him.

TUGGY

Good evening ladies.

50TH REUNION MEMBER #1

What a cute baby. Is it a boy?

TUGGY

I don't know.

50TH REUNION MEMBER #1

Excuse me?

Eric flashes wide-eyed expression at Tuggy. Tuggy nods back knowingly.

TUGGY
Oh. It's not mine. It's his.

Tuggy points at Eric.

50TH REUNION MEMBER #2
His?!

Eric nods 'no' wildly, points at Lance.

TUGGY
Just joking. Of course it's not his. People like him don't have babies, do they?

50TH REUNION MEMBER #1
I should hope not.

TUGGY
What I meant to say was it's his baby.

Tuggy shoves carrier into Lance's hands.

LANCE
Mine?!

50TH REUNION MEMBER #2
Aww. I can see the resemblance.

LANCE
You can?

50TH REUNION MEMBER #2
Uh oh. I smell a poopy.

TUGGY
You better change that diaper, dad.

Lance strikes his familiar frozen terror pose.

50TH REUNION MEMBER #1
(whispers to friend)
I don't think that smell is coming from the baby.

50th Reunion Member #1 nods towards Eric who smiles and steps towards them.

50TH REUNION MEMBER #2
Let's get out of here.

50th Reunion Members rush off.

ERIC
Tuggy, Lance is right. This is kidnapping.

TUGGY
Don't look at me. He's the one holding the baby.

LANCE
You made me hold it!

TUGGY
Relax. No one's kidnapping anyone. We're just dropping the kid off at daycare.

EXT. RUNNALS HALL ENTRANCE - NIGHT

Roomies stand outside large wooden doors. Above a temporary banner that reads "Alumni Childcare Center".

ERIC
Tuggy, you're not supposed to drop other people's kids off at daycare.

TUGGY
That baby was about to ruin everybody's night.

LANCE
Won't stealing a baby ruin everybody's night?

TUGGY
Look. It's simple. We remove the baby, we keep the party going. Trust me. They'll thank me for this.

ERIC
I'm sure they will, Tuggy.

TUGGY
Put the baby down.

Lance sets carrier down. Tuggy wildly pounds on door.

TUGGY
Run!

Everyone but Percy runs. Cat appears, rubs against Percy's leg. No one answers door. Percy talks to Cat.

PERCY
We can't leave this little guy outside, can we?

Percy picks up carrier. Security Rookie approaches.

SECURITY ROOKIE
Who's there?!

Security Rookie turns on flashlight, illuminates Percy, Baby, & Cat. Security Rookie draws taser.

SECURITY ROOKIE
Don't move!

CAT
Hisssss!

Cat darts under bush. Security Rookie dives past Percy, under bush. Hear TASER firing.

SECURITY ROOKIE
Ahhhhh!

Security Rookie's legs, sticking out from bush, wriggle for a few moments, go still. Percy walks off with Baby.

EXT. DORM - NIGHT

Tuggy, Eric, and Lance approach doors of class headquarters.

TUGGY
Oh man. I can't wait to see their faces.

ERIC
I bet they can't wait to see your face either, Tuggy.

INT. DORM LOBBY

Everybody crying and screaming.

TUGGY
Why's everybody freaking out?

CLASSMATE #2
Somebody stole Carson's baby!

TUGGY
I know they did. 'Cause it was me!

CLASSMATES
What?!

Tuggy goofily dances and sings. He's oblivious to the fact that his classmates go silent and glare at him.

TUGGY
I stole the baby! I stole the baby!

LANCE
I didn't steal the baby.

ERIC
And queue the pitchforks.

DR. MORDAY
Grab him! Someone call the police!
Where's the baby, Tuggy!

Angry classmates grab Tuggy. Tuggy looks stunned.

TUGGY
It was a joke! I was joking. Of course I didn't steal the baby. I was hanging out with Lance the whole time. Tell them, Lance. Tell them I didn't steal the baby.

Tuggy makes "Help me" eyes at Lance.

LANCE
(meekly)
He didn't steal the baby?

Classmates release Tuggy.

CARSON
My son?!

Tuggy puts his arm around Carson.

TUGGY
Don't you worry, Carson. None of us are gonna go to bed until we find your kid. And since we've all got to stay up...

ERIC
(mutters under breath)
Mistake.

TUGGY
I guess that means we get to party a little longer!

Percy walks unnoticed through crowd with Baby.

DR. MORDAY
This is real life you idiot! Is everything a joke to you!?

TUGGY
Look. I'm sure Carson's baby is okay. Trust me on this one.

Percy places carrier by Carson.

CLASSMATE #1
I found the baby!

CARSON

He's back!

TUGGY

He is?

ERIC

I didn't see that coming.

LANCE

Thank goodness.

TUGGY

I told you the baby would be okay.

DR. MORDAY

I don't how you got that baby back.

TUGGY

Well neither do I.

DR. MORDAY

One of these days your pranks are gonna catch up with you, Arthur. What am I saying? Look at you. They already have. Party's over, everybody.

Classmates exit the dorm lobby in droves

BETH

Good night, Tuggy.

TUGGY

Beth, don't listen to that guy. He's a fake doctor. The night's young.

BETH'S SON

I'm sleepy, mom.

BETH

See you tomorrow, Tuggy.

Tuggy smiles at Beth as she throws her son over her shoulder and heads for door. Beth's Son watches Tuggy. Tuggy silently mocks him.

TUGGY

I'm sweepy, mommy.

Beth's Son giggles, waves at Tuggy as they exit.

TUGGY

Kids are clueless. He didn't even know I was making fun of him.

Beth's Kid rushes back in, hands Tuggy full green envelopes.

BETH'S SON

Here Mr. Tuggy. I filled them up
like you asked.

TUGGY

Thanks.

Beth's Son runs off again. The roomies are the only ones
left in the lobby.

ERIC

I think the kid likes you, Tuggy.

TUGGY

Don't be ignorant. Come on, guys.
Let's load up.

OPEN BAR

Tuggy, Eric, & Percy fill their pockets with beers from
large beverage tub.

LANCE

I don't think we're supposed to
take these.

Tuggy shoves beers into Lance's pockets.

LANCE

Please stop. I don't drink.

Tuggy hands open beer to Lance.

TUGGY

We're in college. You drink.

Everyone but Lance pounds a beer.

TUGGY

Come on Lance. Bottoms up.

Lance takes a small sip, gags.

LANCE

Oh my. I can't.

ERIC

He's not gonna leave you alone
until you drink the whole thing.

As Lance takes another sip, Tuggy tips bottle up. Lance
struggles to keep up. Beer pours down his frontside.

TUGGY

Very rusty, Lance. We gotta work on
that.

EXT. STUDENT PUB - NIGHT

Tuggy grabs door, pauses to watch white van drive by.

LANCE
What's in here?

TUGGY
Seriously? Man, you really were a
book worm.

Tuggy enters.

ERIC
It's the pub. A handful of students
always stick around in the summer.
Tuggy's looking for playmates.

INT. STUDENT PUB - BAR - NIGHT

Tuggy shows his id to BARTENDER.

BARTENDER
I don't need to see your ids.

TUGGY
How do you know we're not underage?

Group shot of roomies.

BARTENDER
Wild hunch.

TUGGY
I almost forgot. Eric. You gotta
see this is.

Tuggy scampers off, Eric and Lance follow. Percy, ignored by bartender, reaches over bar, pours his own beer.

MEMORIAL SCHOLARSHIP PLAQUES

Wall honors students, young alumni who've died. ERIC DAVIS '98 plaque includes scruffy student picture of Eric, WE WILL ALWAYS REMEMBER YOU engraving. Recipient nameplates missing for last 10 yrs. Craig Olson plaque is nearby.

LANCE
This looks like Eric. You really
did go here?

ERIC
McCracken made people donate to
this?!

TUGGY
Relax. You know she just hit up
some high rollers.

ERIC
Tuggy, this isn't funny.

TUGGY
Dude. You have a death plaque.
That's pretty funny.

Tuggy gives 2 thumbs up, makes goofy face at Eric. Eric laughs. BURST OF LAUGHTER erupts elsewhere in pub.

PUB FIREPLACE

Table of laughing students are only other patrons in pub. Cute FEMALE STUDENT waves at Lance. Lance blushes. MALE STUDENT, buff & handsome, points at approaching roomies. Tuggy has arm around Eric.

TUGGY
This guy you're laughing at. You might want to show him some respect. He's a Colby grad.

ERIC
Go mules!

MALE STUDENT
We weren't laughing at him. We're laughing at you.

Male Student points to photos on far wall.

ALUMNI PHOTOS

Roomies inspect Black & white, chronologically ordered photos which depict banal moments from past campus life. In the last picture a young Tuggy, clean cut, wearing a new "Colby" sweatshirt, flashes an exceedingly goofy smile and gives two thumbs up. The title reads: "Arthur Gale - Thumbs Up - 1986"

MALE STUDENT (O.S.)
You're a campus tradition, man.
Thumbs up. Drrrrrrrrr.

The other students, with the exception of Female Student, also give mocking, double thumbs up.

TUGGY
That's not me.

ERIC
That's him alright.

LANCE
You were so young.

TUGGY
I am so young. Too young to be on this wall of dead alumni.

ERIC

Maybe you're dead like me, Tuggy.

Tuggy pries photo off wall, hides under his shirt.

Students leave without saying good-bye. Female Student glides by Lance, whispers in his ear. Lance blushes.

TUGGY

What'd she say?

LANCE

She asked me to play...beer something?

TUGGY

Yes! We're so in.

ERIC

I think Lance is so in. I wasn't getting a vibe they wanted us to come.

TUGGY

Trust me. They want us there.

EXT. CURRENT STUDENT DORM ROOM - NIGHT

Knock on door. Male Student cracks door open.

MALE STUDENT

Private party.

Female Student appears in doorway, sees Lance.

FEMALE STUDENT

You came! Let him in.

INT. CURRENT STUDENT DORM ROOM - NIGHT

Students ignore Tuggy as beer pong cups are filled.

TUGGY

Beer pong? Really?

MALE STUDENT

Who's up?

TUGGY

Yeah! Who's up for a real Colby game like 'Beer Die'?

Everyone continues to ignore Tuggy. Female Student flirtatiously points at Lance.

FEMALE STUDENT

You're with me.

LANCE
I don't play alcohol games.

FEMALE STUDENT
You're so cute.

TUGGY
Fine. I'll play.

Tuggy attempts to join Female Student, is cut off when she pulls Lance to her side.

Game begins. Tuggy announces throw results as if he's been appointed judge. Students look at him disdainfully. Lance makes pathetic throws, Percy catches pathetic throws and guides them into cup. All are astounded at Lance's amazing ability. On game winning throw Percy hits ball off 2 walls before going into cup. Crowd erupts.

FEMALE STUDENT
You're a ringer!

LANCE
I swear I've never played before.

FEMALE STUDENT
Everybody! Lance is my partner for life!

Female Student plants a giant kiss on stunned Lance.

TUGGY
This is lame. We gotta show these kids how to really party.

ERIC
I think they're doing pretty well on their own, Tuggy. Lance sure is having a good time.

Tuggy walks over to Lance.

TUGGY
Come on, Lance. We're going to the library.

LANCE
Now?!

ERIC
Let him be, Tug.

LANCE
A girl kissed me!

ERIC
Was that your first kiss?

TUGGY
I'm happy for you. Now come on.
Library. Streaking.

LANCE
Streaking?! As in naked?!

FEMALE STUDENT
Oooh that sounds fun. Everybody!
Lance wants to go streaking.

Cheers.

LANCE
No I don't.

FEMALE STUDENT
Who's coming with us?

LANCE
You're going?

FEMALE STUDENT
Of course, partner.

LANCE
Let's go streaking!

Students cheer and rush out. Female Student pulls Lance
along with her. Percy follows students.

TUGGY
Streaking was my idea.

ERIC
I know, buddy. Come on.

EXT. CAMPUS LAWN - NIGHT

Tuggy & Eric walk across campus.

TUGGY
How'd you...

ERIC
Become homeless?

TUGGY
Yeah.

ERIC
I don't know. One minute I'm this
carefree kid backpacking around the
country and the next minute I can't
open a bank account or get a
utility turned on.

TUGGY
Why didn't you move back in with
your mom?

ERIC
Tuggy my mom died 12 years ago.

TUGGY
Jesus, Eric. I'm sorry.

ERIC
Can we stop talking about this? I
just want to pretend that I've got
a home for a weekend.

Tuggy puts arm around Eric.

INT. MILLER LIBRARY MAIN FLOOR - NIGHT

Large open room sparsely filled with a few studiers.
Students & Lance crouch behind a cluster of empty study
cubicles. Percy stands in the open.

LANCE
I don't think I can do this.

MALE STUDENT
It was your idea, now drop trow.

LANCE
But it wasn't my idea.

FEMALE STUDENT
I'll take my clothes off right
after you. I promise.

Tuggy & Eric arrive, dive behind the cubicles like they're
special ops guys.

TUGGY
Who's ready for some streaking?!

MALE STUDENT
Great. They followed us.

LANCE
They want me to get naked first.

TUGGY
What? No. Everybody gets naked at
the same time.

MALE STUDENT
Well the way we do it these days is
your friend gets naked first.

PERCY
I'll get naked first!

Percy strips, jumps into open, strikes a pose. No one reacts. Percy drops pose and looks defeated.

TUGGY

Come on everybody! At the same
time. 5. 4. 3. 2. 1. Strip!

Students don't strip. Tuggy & Eric confidently remove clothes. Lance strips with hesitation. Students groan at Eric's many nasty layers. Eric's last layer is a Colby shirt. Naked Tuggy puts arm around naked Lance.

TUGGY

Well done, Lance.

LANCE

Nobody else is naked.

TUGGY

Lance, there's two kinds of
streakers in the world: brave naked
ones like yourself and chickens!

Tuggy, Eric, and Percy dance and cluck like chickens.

LANCE

This is embarrassing.

TUGGY

For them maybe. Anyway, it's too
late now.

LANCE

Why?

TUGGY

'Cause of this.

Tuggy pulls nearby fire alarm.

TUGGY

Run!

Mayhem ensues. Percy calmly stands in place.

MALE STUDENT

Grab their clothes!

Percy overhears Male Student, picks up as much clothes as he can.

EXT. LIBRARY - NIGHT

Streakers burst out main entrance of library. They laugh hysterically as they run down hundreds of well lit stairs.

LANCE

Oh my God! I'm streaking!

At the bottom security approaches in a golf cart.

LANCE

Oh my God! I'm going to jail!

TUGGY

Relax. It's just security. Hey Ted.
Nice night we're having.

Security Rookie points flashlight at Tuggy's crotch.

SECURITY TED

I can see you're enjoying reunion,
Tuggy.

SECURITY ROOKIE

All of you! Into the cart right
now!

SECURITY TED

(in lowered voice)

You don't really want to ride
across campus with a golf cart full
of naked guys, do you?

TUGGY

I do!

SECURITY ROOKIE

Fine! Verbal warning! Now put your
clothes on and don't let me see
your...

Tuggy points at his crotch with both hands.

TUGGY

Penises?

SECURITY TED

Tuggy. Go easy on him.

SECURITY ROOKIE

Don't let me see your naked bodies
for the rest of the night!

TUGGY

Does that mean you want to see my
naked body tomorrow?

SECURITY TED

Tuggy.

Security drives away. Tuggy hollers at them.

TUGGY

I owe you one, Ted.

SECURITY TED

You owe me a million, Tuggy.

Percy arrives, places clothes next to Eric.

ERIC

Did Ted bring our clothes down?

Roomies get dressed. Percy realizes the only clothes he failed to grab were his own.

TUGGY

Maybe Lance's girlfriend brought them down?

LANCE

She's not my girlfriend!

ERIC

Does she know that?

Eric & Tuggy snicker. Lance rubs his lips with his fingers, talks in dreamy voice.

LANCE

It was pretty amazing the way she leaned in and touched her lips to my lips.

ERIC

You mean kissing?

LANCE

Yes. Kissing. Maybe she'll do it again! Let's go find her!

TUGGY

Easy buddy.

ERIC

You might want to stop while you're ahead.

LANCE

Stop? She kissed me. She called me her partner for life. Even you guys called her my girlfriend.

TUGGY

We meant ex-girlfriend.

LANCE

Ex?

ERIC

She didn't come streaking with you did she?

LANCE

She's just saying good-bye to her friends. She's gonna run out those doors any second.

They look at distant library entrance. Nothing.

LANCE

She's not coming is she? Hey! Maybe she's waiting for me to come up?!

TUGGY

Trust me. She's not waiting for some old guy to chase her around campus.

ERIC

He knows what he's talking about.

LANCE

So that's it?

ERIC

It's over, buddy.

TUGGY

But hey. Look on the bright side. You've only been in college a few hours and you just had an entire relationship.

LANCE

My first girlfriend.

ERIC

Wow.

TUGGY

Dude. You just dated someone. Nice!

LANCE

I just dated someone.

EXT. DORM - NIGHT

Percy walks towards front door, glances down at himself.

PERCY

Woah. I forgot I was naked.
(stops in his tracks)
Oh, man. That's something a ghost would say.

Percy rushes into dorm. Lance, standing under a nearby tree with Tuggy, sees door close.

LANCE

Someone's coming!

TUGGY

Relax. No one's coming. It's 3 in the morning.

LANCE

I don't think I want to do this.

Eric talks from up in the tree.

ERIC

Tuggy, he doesn't want to do it.

TUGGY

He's fine. You're fine. You're not a real college student until you do this.

ERIC

Tuggy, he's not a college student.

LANCE

It seems wrong.

TUGGY

That's what you said about streaking.

LANCE

That was more fun than I expected.

They laugh.

TUGGY

See. So trust me. Our class is gonna die laughing.

ERIC

Someone's gonna die.

LANCE

Okay. I'll do it.

Lance runs to front door. Pulls fire alarm.

LANCE

I did it!

TUGGY

Now run!

Tuggy and Lance laugh hysterically as they run back to the tree. Tuggy easily climbs up. Lights come on in the dorm as the alarm continues to sound.

LANCE

I can't get up!

TUGGY

Are you serious!?

Lance's climbing looks like hugging. Tuggy comes down, strains to boost Lance up.

TUGGY
You never climbed a tree before?

LANCE
I got pushed into a bush once.

TUGGY
Grab a branch!

LANCE
Which one?

TUGGY
Anyone! Just pull yourself up!

LANCE
Am I supposed to grab the first
branch or the second branch?

TUGGY
They're coming!

Eric helps from above. Tuggy and Eric finally heave Lance onto a branch just as the front door opens. Tuggy, still on ground, turns toward door, pulls his pants down.

DR. MORDAY
Tuggy! I knew it!

TUGGY
(exaggerated yawn)
Who pulled that fire alarm? I ran
out here so fast I didn't even have
time to pull my pants up.

LANCE
I should go down there. I'm the one
who pulled it.

Eric grabs him.

ERIC
Don't move. Tuggy's fine. He's got
your back.

More complaining classmates and their families emerge in pjs. Beth's son points at Tuggy, snickers.

BETH'S SON
I see your underwear!

Beth smiles at Tuggy. Tuggy winks. Beth's Son runs up to Tuggy, holds out his hand.

BETH'S SON
High five!

Tuggy awkwardly returns high-five.

CLASSMATE #2

False alarm, everybody. Guess who?

CLASSMATE #1

When is that guy gonna grow up?

TUGGY

Guys, it wasn't me. I swear. I'm as infuriated about this whole false alarm business as you. You gotta admit, though, it was pretty funny.

CLASSMATE #3

No. We don't have to admit it.

Alarm shuts off. Families reenter dorm.

DR. MORDAY

Keep pushing it, Arthur.

Tuggy gives mocking double thumbs up.

TUGGY

Will do, podiatrist.

Students walk by.

MALE STUDENT

Look! He's doing it.

STUDENTS

Thumbs up! Durrrrr.

Tuggy quickly puts thumbs down.

EXT. TREE BRANCHES - NIGHT

Eric and clothed Percy sleep at base of the tree.

LANCE

Did you use to date Beth?

TUGGY

I wish. She's awesome but she's got a kid. Who likes kids, right?

LANCE

Parents.

Tuggy laughs.

TUGGY

Lance, you're funny.

LANCE

Me?

TUGGY

Yeah, you. I guess Beth's kid isn't entirely awful. He thinks I'm awesome so that's kinda cool.

LANCE

He hasn't beaten me up yet so he's better than 100% of the kids I know.

TUGGY

I'm telling you, man, you're funny.

LANCE

I was just stating a fact. Tuggy, can I tell you something kind of crazy?

TUGGY

Sure.

LANCE

I own a poor-she.

TUGGY

You mean a Porsche? How's that crazy? Is it broken or something?

LANCE

No. It's new. A 911 Turbo?

TUGGY

Nice. That doesn't sound crazy. That sounds like your doing really well for yourself.

LANCE

That's the crazy part. I'm not doing really well for myself.

TUGGY

Dude. You own a new poor-she.

LANCE

But I'm afraid to drive it. I've never driven before. I don't even have a driver's license.

TUGGY

Okay. Now it's starting to sound a little crazy. Why do you own a car if don't drive?

LANCE

Because vice-presidents are supposed to have nice cars.

TUGGY

How'd you get back and forth from Colby when you went here?

LANCE

My parents.

TUGGY

Did you're parents drive you to reunion?!

Tuggy looks around for parents.

LANCE

Of course not. I took a taxi.

TUGGY

From where?

LANCE

Boston.

TUGGY

Jesus! Now that's crazy! How much did that cost?

LANCE

I don't know.

TUGGY

Dude. Next time you want to throw your money away call me. Seriously, you gotta learn to drive. I'll teach ya.

LANCE

Really?

TUGGY

Yeah really. What are college buddies are for?

LANCE

Even college buddies who didn't recognize each other a few hours ago.

TUGGY

So maybe we're new college buddies. Who cares. Details. The point is, we're friends.

LANCE

Wow. Can I confess one more thing?!

TUGGY

You might want to stop while you're ahead, Lance.

LANCE
I don't know where we are right
now.

TUGGY
We're in a tree.

LANCE
I know that, but I don't know where
this tree is. I don't know where
the college is. I wouldn't be able
to find it on a map.

TUGGY
You're joking right?

LANCE
I told you my parents always drove
me here. I know we're in New
Hampshire somewhere.

Tuggy pulls beers out of his clothes, hands 1 to Lance.

TUGGY
Okay, you need another beer.

INT. HIDDEN BOMB

3 hours rapidly pass on bomb timer.

EXT. TREE BRANCHES - NIGHT

TUGGY
I thought once I got my degree I'd
be safe but I haven't felt safe
since the day we graduated. I'm
sorry. I'm ruining your reunion.

LANCE
Ruining my reunion? Are you kidding
me?! I just had the greatest night
of my life. I pulled a fire alarm
when there wasn't a fire. I got
naked with the lights on. I got
kissed. And I did that with you,
Tuggy.

TUGGY
Uh. We never kissed.

The sun breaks over the horizon.

LANCE
And I've never stayed up all night.

Tuggy holds out his beer to Lance.

TUGGY
Cheers!

Lance doesn't respond.

TUGGY
Lance, You're supposed to say
cheers too.

LANCE
Oh. Sorry. Cheers.

Tuggy clinks Lance's bottle. They take swigs.

INT. CAMPUS - DAY

A gentle fog covers a still quiet campus.

INT. DORM UPSTAIRS HALLWAY - DAY

Classmates and families chat as everyone starts day.

OUTSIDE JUDE'S DOOR

Jude emerges in bathrobe, discovers worn, sparkly cat toy at
foot of his door.

JUDE
Sparkle Ball? Kitty? Here Kitty
Kitty.

EXT. TREE BASE - DAY

A dollar drops onto Lance's sleeping face. Lance wakes.

CLASSMATE #1
Tuggy's really getting into this
homeless thing, huh?

Numerous classmates exit dorm and walk by Lance. Lance is
surrounded by empty beer bottles and a sleeping Tuggy, Eric,
and Percy.

LANCE
Did I sleep outside?

ERIC
You'll get used to it.

Lance looks at watch, panics, whips out his reunion
schedule.

LANCE
Oh my God! I forgot to synch my
watch. We're missing breakfast!

TUGGY
Great idea. Let's miss breakfast.

ERIC
I think he wants to go to
breakfast.

INT. DORM BATHROOM - DAY

Lance frantically showers. Eric pulls back curtain.

ERIC
Can I borrow your soap? I'll give
it right back.

LANCE
Keep it.

As Lance exits, sees Eric showering in his clothes. Dirty water pours off as Eric rub soap on his garments.

EXT. TREE BASE - DAY

Clean cut Lance and dripping Eric stand over sleeping Tuggy.

LANCE
Come on! Breakfast ends in 5
minutes!

ERIC
Time to go, Tug.

Tuggy opens eyes, sits up.

TUGGY
Relax. We'll make it.

Lance run-walks off. No one follows.

TUGGY
The dining hall's the other way.

Lance reappears, frantically scurries off in opposite direction. Tuggy stands, all slowly follow Lance.

EXT. DANA DINING HALL - DAY

Lance bangs on locked glass door, holds up his breakfast ticket. Percy slips in past an exiting diner moments later. Eric begs for breakfast leftovers.

LANCE
We missed breakfast!

TUGGY
Well if you hadn't run off in the
wrong direction.

LANCE
Me?! You're the one--

ERIC
Lance, he's teasing.
(to exiting diner)
Thank-you.

Exiting diner gives Eric a 1/2 eaten apple. Eric adds donation to pouch he's formed with his shirt.

LANCE
Last night was a big mistake.

TUGGY
The best night of your life was a big mistake?

LANCE
I was drunk when I said that.

TUGGY
You were buzzed.

Eric shares his food stash.

ERIC
Eat up, guys.

LANCE
I'm not eating trash.

ERIC
I used to say that.

TUGGY
Works for me.

Percy exits with large tray of food. Tuggy & Eric eat out of Eric's shirt. Lance hyperventilates.

LANCE
Oh my goodness. This is my worst nightmare come true.

TUGGY
Missing breakfast is your worst nightmare?

Percy puts down down tray next to Tuggy.

TUGGY
Look. A tray of perfectly good food. Now are you happy?

Tuggy picks up tray.

LANCE
No. I don't even know where that came from.

TUGGY
It came from the dining hall. Just trust the universe a little, Lance. The universe wants you to eat.

LANCE

I can't.

TUGGY

Well maybe that's why you came to reunion. To realize you can.

Tuggy, Eric, and Percy sit, eat off tray.

LANCE

Fine.

Lances sits. Tuggy immediately stands followed by others.

TUGGY

What are you doing, Lance? We're gonna miss the Parade of Classes.

Lance talks with mouth full.

LANCE

You just told me to eat!

TUGGY

This guy's gonna make us late to everything.

LANCE

Me?!

ERIC

Lance. He's joking.

EXT. FRONTAGE ROAD - DAY

Alumni and their families line up sequentially behind class signs. Older, smaller classes near the front stand behind a parked, decorated golf cart driven by Assistant. The class of '98 is out of order at the back of the parade.

ERIC

Why is our class in back.

TUGGY

I think McCracken's punishing us.

BETH'S SON

Hi!

Beth's Son appears at Tuggy's feet, stares. Beth arrives.

BETH

Don't bother Tuggy, dear.

TUGGY

He's not bothering me.

ERIC

He's not?

TUGGY
Why don't you guys march with us.

BETH'S SON
Can we mom?

BETH
Sure.
(whispers)
Thank-you, Tuggy.

ERIC
Interesting.

TUGGY
Zip it.

Dean McCracken, hanging off golf cart, speaks with bullhorn.

DEAN MCCRACKEN
As most of you know I'm Phyllis
McCracken. I'm the Dean of Alumni
which means I'm the one who asks
for money.

Dean McCracken laughs. Crowd laughs and applauds.

TUGGY
Why are people clapping for that?

DEAN MCCRACKEN
Your contributions not only keep
Colby strong, they pay my salary.

Dean McCracken laughs, Tuggy yells under his breath.

TUGGY
There's a reason not to give money.

Crowd stares at Tuggy, shushes him.

DEAN MCCRACKEN
Each year we honor the oldest
attending alumn by inviting him or
her to ride at the front of our
parade. This year that honor goes
to Mr. Tom Sherry, class of 1933!

Cheers. TOM SHERRY, 80s, spry, waves, skips over to golf
cart, hops on back where Assistant holds class of '33 sign.

Pull out to see GLADYS LOVEJOY, 80s, not spry, hunched over
behind cart. She clings to an oxygen tank with a CLASS OF
'34 sign wedged into it. She's struggling.

Parade starts moving.

DEAN MCCRACKEN
 Everyone. The Alma Mater!
 (singing)
 Hail Colby Hail...

The crowd mumbles, unfamiliar with lyrics.

Class of '35 Member #1 & #2 stand impatiently behind a barely moving Gladys.

CLASS OF '35 MEMBER #1
 Come on. The golf cart's leaving.

CLASS OF '35 MEMBER #2
 You're holding up the parade.

In back, Tuggy stands off to the side, shades his eyes, looks towards the front of the parade.

TUGGY
 Looks like someone could use a
 little help up there.

Roomies cut to front of parade. Tuggy gives Gladys his arm, Eric pulls her oxygen tank.

LANCE
 Where are we marching too by the
 way?

ERIC
 To the gym. So we can cheer for all
 the money we're giving Colby.

Tuggy confidently sings the ongoing alma mater. Gladys Lovejoy removes mask and joins Tuggy.

INT. GYM - DAY

Montage of class reps presenting oversized cardboard checks to Dean McCracken. Ends with Dean McCracken at podium.

DEAN MCCRACKEN
 Because of your generosity, Colby
 College will remain a world class
 institution!
 (applause)
 Now if we could have the classes
 exit in the same order they entered
 we'll take class photos and get our
 family luncheon started.

Applause. Crowd stirs. Tuggy shouts.

TUGGY
 You forgot the class of '98!

Room goes silent. Dean McCracken's demeanor transforms fromm sugary sweet to angered.

DEAN MCCRACKEN
No, sir, we didn't. The class of '98 forgot us. We could hardly afford a cardboard check with what your class donated.

A few crowd members boo.

DEAN MCCRACKEN
Go ahead. Boo. They deserve it.

More crowd members boo.

DEAN MCCRACKEN
The class of '98 has shattered records for the least amount of money donated. They're by far the worst giving class in the history of Colby College.

Tuggy stands, yells over the boos.

TUGGY
We're #1! We're #1!

Crowd drowns out Tuggy with even louder boos.

DR. MORDAY
Everybody's booing us! See what happens when you give your donations to Tuggy. Is helping poor people worth this?

TUGGY & ERIC
Yes!

LANCE
No? Yes?

Dr. Morday, Tuggy & Eric stare at Lance.

INT. STAIRWELL TO INDOOR TRACK

Photographer arranges Class of '98 for their official reunion class photo. Classmates give Tuggy cold shoulder.

DR. MORDAY
All the other classes are already eating.

ERIC
You're last in line to eat lobster. Life's so unfair.

DR. MORDAY
Control your homeless guy, Tuggy, or I will.

TUGGY

Eric's your classmate, not some
trained dog. Although...

Tuggy turns, points finger gun at Eric.

TUGGY

Bang!

Eric plays dead. Tuggy pats Eric on head.

TUGGY

Good boy.

PHOTOGRAPHER

Can I have everyone who donated
over \$500 dollars down front.

Dr. Morday heads down front, turns to Tuggy.

DR. MORDAY

Tuggy, do us a favor and get out of
the picture.

Lance also heads down front.

TUGGY

Where are you going?

ERIC

Tuggy. Let him go.

Lance joins Dr. Morday. They're alone in the front row.

DR. MORDAY

Glad someone else cares about this
place. Steve, right?

LANCE

Lance.

BETH'S SON (O.S.)

I can't see. Can you hold me up,
Mr. Tuggy?

TUGGY

Uh... sure.

Tuggy holds Beth's Son in air, awkwardly away from his body.
Beth's son laughs. Beth smiles. Tuggy smiles.

PHOTOGRAPHER

Hold please.

PERCY

Photobomb!

Percy jumps spread eagle in front of shot as camera clicks.
Percy doesn't appear in picture now frozen in viewfinder.

INT. INDOOR TRACK - DAY

Hundreds of tables occupied by alumni and families. Tuggy leads roomies to the buffet table.

FOOD SERVICE EMPLOYEE
Excuse me. Excuse me!

LANCE
Tuggy. I think she's talking to us.

A FOOD SERVICE EMPLOYEE is taking meal tickets from a long queue of people waiting to get access to the buffet.

TUGGY
It's cool. We're students.

FOOD SERVICE EMPLOYEE
I need to see your tickets.

ERIC
I think she knows we're not students, Tuggy.

FOOD SERVICE EMPLOYEE
I can't let anyone through without a ticket.

LANCE
Here's mine.

TUGGY
Fine. I wasn't hungry anyway.

Tuggy & Eric walk off. Lance waits in line. Percy walks to buffet unnoticed.

CLASS OF '98 LUNCH TABLES

Tuggy & Eric sit with their classmates. They're the only ones without food.

PERFECT SON
I'm not gonna eat this. It's gross.

DR. MORDAY
Stop!

Dr. Morday gives 'Stop' hand signal. Perfect Son goes silent.

DR. MORDAY
People in China are starving.

PERFECT SON
I don't care about people in China.

DR. MORDAY
Neither do I. Now eat.

Dr. Morday gives 'Eat' hand signal, continues conversation with classmates. Perfect Son picks up lobster, pretends it's a toy plane. He flies it by Eric's face, fires pretend missiles.

Lance arrives with lunch. Tuggy grabs roll off Lance's tray. Lance is perturbed. Lance stares at his lobster.

ERIC

Let me guess. You've never eaten a lobster before?

Eric helps Lance. Tuggy snaps fingers.

TUGGY

I know what we can do for lunch!
Guys, come on. I've always wanted to do this.

Tuggy runs off. Eric follows. Lance cracks shell.

LANCE

I did it! Where's everyone going?

Lance follows. Percy arrives with tray of lobsters, sits.

SALAD BAR

ERIC

Salad? This is what you've always wanted to try? Okay.

LANCE

Tuggy, you need a ticket to eat the salad.

TUGGY

Oh I've gotta ticket alright, wink wink, if you know what I mean.

ERIC

I don't know what you mean.

TUGGY

Just get ready to run.

LANCE

You're getting a salad. Why would I need to run?

ERIC

Because of that.

Tuggy lies butt cheeks up in salad bowl.

TUGGY

I'm naked salad bar surfing!

Mayhem. Security Rookie runs towards them. Tuggy dismounts, pulls pants up, eats piece of salad from pants.

TUGGY

Mmm. Radicchio.

Security Rookie chases roomies out of fieldhouse. Beth and Beth's Son watch from soda fountain.

BETH'S SON

I saw Mr. Tuggy's heinie!

BETH

That's not how we eat salad, is it.
Sweetie? It's kind of a cute
heinie, though.

BETH'S SON

Mom! Gross!

Beth & Beth's son burst out laughing. Percy removes bib, stands, calmly follows roomies. He hesitates, returns to table. Percy grabs lobster plate out of Perfect Son's hand and launches it across the room. Perfect Son freaks.

EXT. POLE VAULT CUSHION - DAY

Roomies panting wildly.

TUGGY

I think we lost him.

Tuggy & Eric high-five, jump onto cushion, sun themselves.

LANCE

What were you thinking?!

TUGGY

That it would be fun to get naked
in the salad bar.

LANCE

You can't do things like that! It's
illegal.

ERIC

And slightly unsanitary.

TUGGY

And surprisingly cold.

LANCE

This isn't a joke, Tuggy! You could
go to jail for something like that!

ERIC

(deep voice)
What you in for?

TUGGY

I put my penis in a salad.

LANCE

Do you even bother to think how
your little pranks affect the rest
of us?!

TUGGY

First off, my prank's not little.

ERIC

It's true. I've seen it.

TUGGY

And secondly of course I thought
about other people before I leapt
into that salad bar.

Tuggy crawls seductively towards Lance.

TUGGY

In fact, Lance, I thought about you
as I gently thrust my member deep
into that leafy bed of vegetation.
Oh! Lance! Lance!

LANCE

(explodes)

Fine! Just keep making fun of me!
You're just like everybody else!

Lance storms off. Tuggy & Eric sit up in surprise.

TUGGY

Whoa. I was joking.

Lance stops, turns back towards Tuggy & Eric.

LANCE

No, you were making fun of me. I
know when someone's making fun of
me.

ERIC

Hey. Lance. We're sorry.

TUGGY

Yeah, I'm sorry. Sometimes I go a
little too far.

ERIC

That's also true.

TUGGY

But its only because I want
everyone to have fun.

LANCE
You think it's fun for me watching
you put your... hoo-hoo in a
salad?!

TUGGY
Your hoo-hoo?

LANCE
Your privates.

ERIC
Your privates?

LANCE
Fine. Your dick!

Eric and Tuggy stare at each other, burst out laughing.

LANCE
You're making fun of me again!

TUGGY
No! We're not!

ERIC
Lance, we're laughing with you!

TUGGY
Dude, you just yelled the word
"Dick" really loud. That's
hilarious.

LANCE
I guess that was a little funny.

Tuggy gets off mat, puts arm around Lance.

TUGGY
Lance. I apologize, okay? Okay?

LANCE
Fine.

TUGGY
I think we need an activity that's
a little less stressful.

EXT. TUGGYS'S TRUCK - DAY

Eric and Lance hold golf clubs.

LANCE
But I don't know how to play golf.

ERIC
That's okay. Neither do we.

TUGGY

Four!

Tuggy drives a tennis ball into the distance. SCREAM is heard. Tuggy grabs cooler handle, strolls off.

EXT. CAMPUS GOLF MONTAGE - DAY

Roomies laugh, drink beer as they hit tennis balls through non-golf locations.

- Family carnival (Beth & Beth's Son wave at Tuggy)
- Main stage of theatre
- Campus radio station
- Art museum (Roomies stop to appreciate art)

INT. MATH BUILDING - MAIN LOBBY - DAY

Lance, holding golf club, reads commemorative plaque as caterers mill busily about.

LANCE

Class of '98? Someone in our class
blew this building up? Did you guys
know... John Robbins?

Tuggy, lying on floor, struggles to open trap door with master key.

ERIC

You mean The Campus Bomber?

TUGGY

Nobody knew him.

PERCY

I knew him.

TUGGY

I didn't even know him and I knew
everybody.

LANCE

Not everybody.

Caterer steps over Lance with a rack of glasses. Glasses are set down near podium. Zoom inside podium.

INSIDE PODIUM

Timer on massive bomb continues count down.

TUGGY (O.S.)

Remember when McCracken sent out
those donation requests filled with
pictures of the wreckage?

MAIN LOBBY

ERIC
Talk about shameful.

LANCE
I never got those.

TUGGY
You're lucky. That woman would do
anything to raise money for Colby.
There. Got it. Let's go.

Tuggy disappears through floor. Eric, Percy follow.

LANCE
Where are we going?

Eric's head pops up.

ERIC
Next hole. Steam tunnels.

EXT. LAWN - DAY

Freedom poops as roomies climb out of nearby manhole.
Freedom trots over, lovingly licks Eric as he climbs out

TUGGY
Hey Podiatrist! You gonna clean
that up?

Tuggy points at steaming pile.

DR. MORDAY
That wasn't my dog. It must have
been your homeless friend.

TUGGY
What?! We just watched your dog
pooh.

DR. MORDAY
We all know how homeless people
like to poop in public.

ERIC
Oh yeah. We love that.

DR. MORDAY
You should really clean up after
your pet, Arthur. Freedom. Come!

Dr. Morday turns, freezes as he steps in poop. Percy, stands
beside him, zipping pants, smiling.

EXT. COLLEGE BOOKSTORE - DAY

Tennis ball hits glass door which reads: GROVER N. RUSHMORE MEMORIAL BOOKSTORE. Roomies approach, golf clubs in hand.

TUGGY

Who do you think Grover N. Rushmore was?

ERIC

Some rich alumni.

TUGGY

I always wanted a Colby building named after me but I couldn't get my name on a trash can. At least you've got a plaque.

ERIC

I can get you a plaque right next to mine if you let me kill you.

TUGGY

Maybe I should kill myself.

ERIC

Tug, that's not funny.

TUGGY

I bet if I died a heroic death they'd name something after me.

LANCE

Are you okay, Tuggy?

TUGGY

Yeah. Fine. Just brainstorming.

INT. COLLEGE BOOKSTORE - DAY

Lance stands beside display of polo shirts, each embroidered with a tiny college seal on the breast.

LANCE

What should I get?

TUGGY

Get what you want. I know what I want.

Tuggy grabs stuffed mule and humps it.

TUGGY

I'm humping the mascot! Yeah!

Dr. Morday and his family watch Tuggy in horror. Morday wears a polo like those on display.

LANCE
Tuggy. Stop.

TUGGY
Here ya go, foot boy.

Tuggy tosses stuffed mule to Dr. Morday who lets it fall to the ground.

DR. MORDAY
You're vile.

TUGGY
Thank-you.

Lance glances at Dr. Morday's shirt and chooses a polo.

LANCE
I'll just get this.

Tuggy rips it out of his hands.

TUGGY
Are you kidding me?

Tuggy tosses polo aside.

TUGGY
You need something that screams
(to entire store)
I go to Colby!

Tuggy grabs sweatshirt lettered with giant, all caps COLBY.
Tuggy holds it over his head, starts chanting.

TUGGY
Col-bee! Col-bee! Col-bee!

Everyone except, Lance, Dr. Morday, and his family join in the chanting. Freedom howls.

TUGGY
You too, Lance.

LANCE
Colby. Colby. Col-bee!

Lance smiles. Tuggy tosses him the sweatshirt.

CHECKOUT AISLE

Eric approaches with basket of items. Cashier looks very uncomfortable. Dean McCracken takes over for cashier.

DEAN MCCRACKEN
I'm going to have to ask you to leave.

ERIC
I've got money.

DEAN MCCRACKEN
This store is for students and
alumni only.

ERIC
I am an alumni. Eric Davis, Class
of '98.

DEAN MCCRACKEN
Eric Davis is dead. Have a nice
day, sir.

ERIC
We faked my death. It was a joke.
Do I look dead?

Dean McCracken leans in, whispers.

DEAN MCCRACKEN
Well, Eric, yes you do as a matter
of face. And I didn't think it was
a joke when you lied to me. That's
why I destroyed your identity.

ERIC
You what?!

DEAN MCCRACKEN
I didn't want your poor, grieving
family to have to go through the
pain of notifying everybody you
were dead. So I did it for them.

ERIC
You ruined my life!

DEAN MCCRACKEN
It was just a joke, Eric.

Dean McCracken leans back.

DEAN MCCRACKEN
Next, in line

Eric storms off. Percy, next in line, places his items on
counter.

DEAN MCCRACKEN
Next, please.

Percy grabs his items, Eric's items, exits.

EXT. COLLEGE BOOKSTORE - DAY

Lance proudly wears his new sweatshirt. Tuggy pulls stuffed
mule from under his shirt. Eric storms out.

ERIC
Screw her and screw Colby College!

LANCE
Are you okay, Eric?

ERIC
No. I'm not okay. I'm homeless.

TUGGY
Hey. He was just trying to help.

ERIC
Now people wanna help?! Where was
all the help when I needed it?!

TUGGY
What happened in there?

Percy places Eric's items at Eric's feet.

TUGGY
Look. The universe wants you to
have a new Colby sweatshirt.

ERIC
Oh here's some trash on the ground.
Let's give it to the homeless guy.

TUGGY
Hey!

ERIC
Oh the universe has done a swell
job of taking care of me, Tuggy.
You're the worst of all! You're the
reason I'm homeless!

TUGGY
Me?!

ERIC
You're the one who forced me to
fake my death and guess what? It
worked. McCracken knew all about
our little joke the whole time.
She's the one who destroyed my
identity.

TUGGY
It was her?

ERIC
It might as well have been you! Ha
ha ha! Great joke, Tuggy!

Alumni gather to watch argument. Lance looks around
self-consciously.

TUGGY
How is this my fault?

ERIC
Of course you don't see how this is
your fault. You play these stupid
jokes and you can't even see no one
else is laughing.

TUGGY
People laugh at my jokes.

LANCE
Not always.

ERIC
15 years ago they might have
laughed. But news flash, Tuggy.
You're not in college anymore!

TUGGY
Technically I'm on campus so--

ERIC
College! Is! O! Ver! Grow! Up!

TUGGY
Well at least I'm not homeless!

LANCE
Uh oh.

Eric storms off.

TUGGY
Eric! I'm sorry! It just slipped
out.

Tuggy turns to crowd.

TUGGY
Wow. Someone's touchy, huh?

Tuggy puts arm around Lance. Lance squirms slightly.

TUGGY
We should go get him. It's time for
dinner anyway.

INT. DORM ROOM - DAY

Eric slouches on bed, drinks a beer. Lance puts on nice
clothes. Tuggy holds water balloons in his upturned shirt.

TUGGY
Eric. I'm sorry. Are we cool?

ERIC
Sure. We're great.

Tuggy opens window, crouches down, whispers.

TUGGY
Guys, check this out.

Tuggy lobbs a water balloon, ducks.

EXT. DORM - DAY

'98 classmates, formally dressed, exit dorm. Water balloon hits the sidewalk in front of them.

CLASSMATE #1
What the?!

Tuggy, laughing, pokes his head out window holding two water balloons above his head.

TUGGY
Water balloons!

CLASSMATE #2
What a loser.

DR. MORDAY
Do us all a favor, Arthur. Fall out the window.

CLASSMATE #1 & #2
Yeah. Fall out.

2 more balloons just miss.

TUGGY
Sorry. They slipped.

INT. DORM ROOM - DAY

Tuggy turns back from window.

TUGGY
What's their problem?

LANCE
Maybe they doesn't like it when you throw water balloons at them.

TUGGY
Okay, mom. Maybe they shouldn't be so uptight. I mean seriously. We're in college.

LANCE
We're not in college, Tuggy. We're at college.

TUGGY

Well it sure feels like I'm in college the way you're lecturing me right now.

Eric drinks. Tuggy watches Lance dress.

TUGGY

You're sure spending a lot of energy getting spiffed up for dinner. Trying to impress someone?

LANCE

No. It's a formal event so I'm dressing appropriately.

TUGGY

We're not dressing up.

LANCE

I can see that. But I'm not like you guys.

TUGGY

What's that supposed to mean? What are we like?

LANCE

You know. You guys don't mind looking like... you do.

ERIC

I love looking this way.

TUGGY

Like what? Are you embarrassed by us?

LANCE

Well if that's how you're going to a semi-formal dinner then, yes, a little bit.

TUGGY

Oh. That's rich. You think I'm the embarrassing one?

LANCE

Well. I'm not the embarrassing one. I'm a vice president.

TUGGY

You own a car you're afraid to drive. You're spending reunion with people you just met a few hours ago. I'd say that's pretty embarrassing.

LANCE

Well maybe I'd meet some other people if you didn't keep scaring them off with your stupid jokes.

TUGGY

Well if I'm so stupid why are you hanging out with me?!

LANCE

Because you're making me hang out with you! You're squatting in the room I paid for!

TUGGY

There it is. I knew you'd bring up money sooner or later. Your kind always does.

Tuggy grabs ratty backpack, stuffs it with his ratty clothes now strewn about room.

TUGGY

My kind?!

TUGGY

Rich people. I thought this was about friendship but apparently it's just a business transaction.

LANCE

I'm just saying that I paid for the room and you guys haven't offered to pay anything. It's not exactly fair.

ERIC

And that's my cue to leave.

Tuggy tries to put arm around Eric.

ERIC

Don't.

TUGGY

(to Lance)

Message received, Lance. You're a big success who can pay for a fancy dorm room and we're just a couple of failures. You go hang out with all the other successful lemmings. We won't embarrass you anymore. Enjoy reunion, stranger.

LANCE

Fine. I will.

Eric exits. Lance grabs urn, follows. Percy hangs head, wheels kids suitcase out door.

EXT. MATH BUILDING - DAY

'98 classmates arrive for dinner. Outcasts Tuggy, Eric, & Percy watch off to side. Tuggy notices white van drive by.

INT. MATH BUILDING - DUSK

A narrow lobby awkwardly converted into a dining area. Robotics projects in display cases dispersed at the edges of the room. CLASS OF '98: WHAT A BLAST IT WAS banner hangs behind podium. Classmates mingle over cocktails, quartet music.

Outcasts Tuggy, Eric, and Percy enter. Tuggy wears backpack, holds urn. Percy wheels kids suitcase. Jude steps to podium.

JUDE

If everyone could find a seat we'll
get started.

Many are already seated. Lance sits next to Dr. Morday at the table closest to the podium. There are three empty seats. Outcasts approach.

DR. MORDAY

These are taken.

TUGGY

I wasn't gonna sit there. I
wouldn't want to embarrass a
certain individual.

DR. MORDAY

Too late. You've already
embarrassed yourself!

Others at table laugh. Lance laughs awkwardly.

Outcasts are rejected at other tables as well. They sit at a card table, set off from the others, situated next to the noisy catering area. Tuggy sets urn on table.

INSIDE PODIUM

Bomb timer continues count down.

LOBBY WINDOW

Cat's head pops up outside, disappears moments later.

DR. MORDAY'S TABLE

Diners confusedly look at one another

CLASSMATE #3

Cat got your tongue, Jude?

PODIUM

JUDE

Huh? Oh. Sorry. Um. As you know the college always sends a representative to join us for reunion dinner. This year we'll be joined by Dean McCracken. Let's give her a big round of applause for all the work she's put into reunion weekend.

Applause. Dean McCracken walks to podium.

TUGGY'S TABLE

A caterer turns on a loud blender. Outcasts have to yell to hear each other.

TUGGY

Why does everyone keep clapping for that monster? All she does is beg money from people.

ERIC

You got a problem with beggars?

TUGGY

No. I've got a problem with Colby, which is rich, begging money from poor people like all of us.

ERIC

We're the only poor people here, Tuggy.

CATERER

I'm poor.

TUGGY

Our classmates used to be fun. What happened to everyone?

PERCY

What didn't happen to us?

ERIC

Well I don't care if they've given up. I still know how to have fun.

Blender turns off.

DEAN MCCRACKEN

So I won't be able to join you for dinner but I encourage you to treat every moment tonight as if it's your last. Live deliberately. Live deep. Suck out the marrow of life. Henry David Thoreau. Thank-you.

Dean McCracken bows. Wild applause.

TUGGY

May I borrow this for a second.

Tuggy picks up large basket of dinner rolls.

ERIC

Tuggy? Please don't.

TUGGY

Time for food!

Tuggy throws rolls which bounce off annoyed classmates. Only Beth and Beth's Son laugh.

DR. MORDAY

Stop this right now!

TUGGY

Oh I'm just getting started!

Tuggy grabs giant bowl of mashed potatoes. He threateningly holds a spoonful.

DR. MORDAY

Don't you dare, Arthur.

TUGGY

It's Tuggy!

A huge wad of mashed potatoes spatters across Dr. Morday's face. The room erupts with screams, running. Tuggy flings mashed potatoes everywhere. Percy throws pie slices. Beth and Beth's Son laugh.

Pie hits Dean McCracken in the face. She drops to the ground next to crying Jude.

DEAN MCCRACKEN

I should have let them expel you!
Remember the illegal pet incident?!
I saved you! And you promised to
help me with this class! You're a
failure, just like the rest of your
classmates.

JUDE

I'm sorry.

DEAN MCCRACKEN

Quit your blubbering. I don't feel
bad for what I did now.

JUDE

What did you do?

ALUMNI

Remember how I promised to give your kitten to a nice family in the country?

JUDE

Yeah.

DEAN MCCRACKEN

I lied. I dumped it in the woods.

JUDE

You what?!

DEAN MCCRACKEN

I should have dumped you in the woods!

Jude sobs hysterically. Tuggy pulls fire alarm. Security rushes in. Security Rookie tackles Tuggy.

TUGGY

Call off the attack dog, Ted!

SECURITY TED

Sorry Tuggy. I can't this time.

Dean McCracken gets up, walks to Dr. Morday, whispers.

DR. MORDAY

I've just been informed by a little birdie--

TUGGY

He talks to birds. Ah ha.

No one laughs.

DR. MORDAY

Go ahead Tuggy. Enjoy your last few moments at Colby. I make a motion to remove Tuggy from the Colby class of 1998.

TUGGY

I make a motion to remove you.

DR. MORDAY

Do I hear a second--

CLASSMATES

Second!

Tuggy is startled by enthusiasm of response.

TUGGY

I already have my degree, so you can't kick me out, people.

DEAN MCCRACKEN

That's true. You do, amazingly, have a Colby degree. But, according to the alumni bylaws, a class does have the right to remove a member with a 2/3rds majority vote. Let's find out if 2/3rds of your class hates you, shall we, Arthur?

TUGGY

Why are you guys listening to her?

ERIC

I think it's because you threw mashed potatoes in their face.

DR. MORDAY

All in favor of kicking Arthur Gale out of the Colby class of 1998, say aye.

All but Beth, Beth's Son, Eric, and Percy say aye. Lance mumbles.

DEAN MCCRACKEN

Nearly unanimous. Motion passed. Take him away. Arthur, if you ever put a foot on campus again, the police will be called, and you'll be prosecuted for trespassing.

TUGGY

I get it. You're trying to scare me. It worked. Can we stop now?

Security Rookie cuffs Tuggy, then Eric.

ERIC

Hey! Take those off me! I'm an alum!

TUGGY

Don't do this!

Security escorts Tuggy and Eric towards exit. Percy follows, pulling his kids suitcase behind him.

CLASSMATE #1

Hey. You were hanging out with Tuggy. Aren't you guys friends?

LANCE

No. I hardly know him.

Tuggy and Lance make eye contact. Tuggy taken away.

EXT. STRIP MALL PARKING LOT - NIGHT

Tuggy stands outside idling security car, rubs wrists. Ted leans out passenger window, hands Tuggy urn.

SECURITY TED

After reunion ends tomorrow you can sneak up and grab your truck.

ERIC

What about my Ferrari?

TUGGY

Ted, you know I'm gonna go right back up to campus.

SECURITY TED

Don't! Tuggy, McCracken's not joking anymore. She'll put you in jail.

TUGGY

Fine. I'll go up tomorrow.

Security drives off. Pull out to see outcasts standing in strip mall parking lot. Percy wheels kids suitcase over to street adjoining mall.

ERIC

Congratulations, Tuggy. You've screwed it up for everyone again.

TUGGY

What are you talking about?

ERIC

What am I talking about!? You just got us kicked out of Colby. And that's after you killed me and turned me into a homeless person! That girl was right. I'm not part of Colby anymore. I certainly don't have any Colby friends left.

Eric turns away. Tuggy grabs him.

TUGGY

What do you want me to say, Eric?! You disappeared. I had no idea you were...

ERIC

Don't be afraid to say it now, Tuggy. I'm homeless.

TUGGY

I didn't know you were homeless. I would have asked you to live with me. You never called.

ERIC
I guess I used up all the minutes
on my phone plan.

Eric pulls arm away from Tuggy, storms off.

TUGGY
I'm a giant loser! Is that what you
want me to say?!

Eric stops.

ERIC
It's a start.

TUGGY
I screw up everything.

ERIC
Not everything.

TUGGY
No. Pretty much everything.
Everyone else has these amazing
lives and I'm still working temp
jobs.

ERIC
At least you can get a temp job.

TUGGY
Eric, I know you've had it way
worse. I'm not comparing myself to
you.

ERIC
I know you're not, Tuggy.

TUGGY
I just feel like everyone else
raced downstream after graduation
and I'm like some stick that got
stuck in an eddy. I've just been
spinning around and around in the
same spot for 15 years. I'm a total
failure.

ERIC
Tuggy, you're not a total failure.
(long pause)
It's like you're stuck in
quicksand, right?

TUGGY
Exactly.

ERIC

Tuggy, do you know what the number 1 rule is when you're stuck in quicksand?

TUGGY

Get out of the quicksand?

ERIC

Do you know what the number 2 rule is when you're stuck in quicksand? Quit freaking out about the fact that you're stuck in quicksand. It's the freaking out that makes you go under.

STREET CURB

CRAIG'S GHOST emerges from urn. Floats to Percy who sits on curb of empty street.

CRAIG'S GHOST

I've been watching you from the urn.

PERCY

Ahhh! You're dead!

CRAIG'S GHOST

I am.

PERCY

And I'm talking to you! I really am a ghost. I didn't even feel myself die.

CRAIG'S GHOST

You're not dead yet, Percy.

PERCY

I feel fine. No fever. I don't have a cough.

CRAIG'S GHOST

Percy, life isn't just a medical condition. It's an engagement condition too. When you don't engage life, it disengages you.

PERCY

I ran away from home didn't I? I went streaking. I stole a lobster dinner. How much more engaged can I be? It's not my fault people can't see me.

CRAIG'S GHOST

Are you sure about that?

PERCY

What else could I possibly do?

CRAIG'S GHOST

You could move out of your mom's house.

PERCY

I just told you. I ran away.

CRAIG'S GHOST

And where are you going when reunion's over?

PERCY

I'd don't know. Somewhere.

CRAIG'S GHOST

You're going back to your mom's house.

PERCY

Maybe not.

CRAIG'S GHOST

Percy if you don't move out of your mom's house you will turn into a ghost.

PERCY

Fine! You want me to move out?!
I'll move out!

Percy wheels kids suitcase into the middle of the street.
Lies down.

CRAIG'S GHOST

Percy, what are you doing? Get up.

PERCY

I'm moving out just like you suggested.

CRAIG'S GHOST

Percy! Get up!

PERCY

I'm gonna lie here until someone doesn't see me and runs me over. Then we can get on with this whole becoming a ghost thing.

CRAIG'S GHOST

Percy, you don't wanna become a ghost! If you've even got a whiff of a chance to live, take it!

PERCY
 (sits up)
 But you've helped me see I don't
 have a whiff of a chance to live so
 if you'll excuse me.
 (lies back down)

White van appears, bears down on Percy.

CRAIG'S GHOST
 Percy! There's still hope!

At the last second van swerves around Percy, speeds off.

CRAIG'S GHOST
 Oh my God! He missed you!

TUGGY
 Oh my God! That was the Campus
 Bomber!

Tuggy runs to curb. Eric follows. Percy sits up.

PERCY
 Am I dead?

CRAIG'S GHOST
 No!

Percy lies back down.

PERCY
 I'm not even good at killing
 myself.

CRAIG'S GHOST
 Don't you get it? He swerved! That
 means the driver saw you!

PERCY
 Someone saw me?

Percy stands up, returns to curb.

TUGGY
 The Campus Bomber's heading to
 campus! We've gotta stop him!

PERCY
 That was John Robbins?

ERIC
 Tuggy no more jokes.

TUGGY
 Eric, I'm not joking.

ERIC
 Tuggy--

TUGGY

I'm not joking!

ERIC

Okay. I believe you.

TUGGY

I've seen him scoping out campus all weekend. What if he's planning to blow up the math building again?!

ERIC

So let him.

TUGGY

What?! Our class is in there!

ERIC

Tuggy, they just voted us out of the class. They told us we're not part of their family anymore so we're not part of their family. It's not our problem.

TUGGY

Eric, I know you're mad at me but---

ERIC

Tuggy, I'm not mad at you. And I'm not mad at our class. I'm mad at myself. I can't believe I...
(looks down at self)
Let this happen.

TUGGY

McCracken did that to you.

ERIC

She helped but the truth is I did this to myself.

TUGGY

Eric being homeless isn't your fault. People take way too much credit for their successes and failures. Some people just get lucky. They end up in boardrooms while the rest of us get stuck in quicksand.

ERIC

Right. Rule #2.

TUGGY

Now, I know they just kicked us out but honestly, they should have. I
(MORE)

TUGGY (cont'd)
deserved it. I've been pretty
annoying this weekend.

ERIC
Who you?

TUGGY
But they're still our friends,
Eric. Some dumb vote doesn't change
that. And when people you love are
about to get blown up you rescue
them. Even if they throw you in
jail afterwards.

ERIC
Fine. How are we gonna do this?
Tuggy snaps fingers, pulls out phone.

CRAIG'S GHOST
There's hope for you yet, Percy. Of
course that hope's based on a guy
who's about to blow up your class.

PERCY
John wouldn't blow up anyone.

CRAIG'S GHOST
Tell them, not me.

TUGGY
(deep voice)
I'd like to report a bomb threat in
the math building. No. This isn't
Tuggy.
(normal voice)
Okay. It's Tuggy. Look! I just saw
The Campus Bomber! He's driving
towards the math building and our
classmates... Hello? They hung up!
I'll call Ted.

ERIC
I'm not sure we've built up quite
enough credibility to get Ted or
anyone else to listen to us, Tug.

TUGGY
Fine. Then I'll go up there and
pull the fire alarm.

ERIC
Let's review. We don't have a way
to get to campus. If we could get
to campus they'd throw us in jail.
And if by some miracle we could get
all the way to the math building
(MORE)

ERIC (cont'd)
and near a fire alarm, we wouldn't
be able to set it off because it's
deactivated from the last time you
had this idea 30 minutes ago.

TUGGY
Admittedly there's a few kinks to
work out.

ERIC
Tuggy, I don't see how we're gonna
get everybody out of there.

TUGGY
Then we gotta stop The Campus
Bomber from getting there in the
first place.

ERIC
What?! Us?! Stop that psycho?! And
remember? No way to get to campus.
Jail if we get caught.

PERCY
Excuse me.

TUGGY
Trust me. I've got a plan.

ERIC
The way you're smiling right now
scares me more than The Campus
Bomber.

PERCY
Excuse me!

TUGGY
Percy?

ERIC
Where'd you come from?

PERCY
It's a long story.

TUGGY
Percy I hate to cut you off but
we're kind of in the middle of a
crisis. I just saw The Campus
Bomber and--

PERCY
I know.

ERIC
You know?

PERCY

I overheard you guys talking. Do you guys mind if I join you?

Tuggy and Eric look at each other.

TUGGY

Sure. Okay, now where was I? Oh! My plan. Step 1. Disguises. Come on we've gotta hurry!

Tuggy sprints towards a Walmart in the strip mall.

INT. WALMART - NIGHT

Hands frantically grab items off shelves including scissors, shaving cream, razors, hair gel, tooth brushes, professional clothes, and business backpacks. Eric stealthily grabs underwear.

INT. WALMART BATHROOM - NIGHT

Eric rapidly shaves, Tuggy recklessly cuts his hair, Percy feverishly moves items from his kids suitcase to a new backpack.

EXT. WALMART - NIGHT

Well groomed, professionally dressed outcasts, with matching black backpacks rush out of front doors.

TUGGY

Okay. Step 2. Get back to campus. Percy, where'd you park.

PERCY

I don't have a car.

TUGGY

How'd you get down here?

PERCY

How'd you get down here?

TUGGY

Touche.

ERIC

Well we better figure something out quick. The way the Campus Bomber was speeding up to campus, he's not gonna wait to set that bomb off.

PERCY

You don't know he has a bomb.

ERIC

You don't know he doesn't have a bomb.

TUGGY

Either way we've got to get up there and find out.

PERCY

Can we call a taxi?

ERIC

In Waterville, Maine? It's only 3 miles. We can run that.

Eric runs off. Others don't move.

ERIC

Jog?

TUGGY

I've got a better idea.

Tuggy walks over to a delivery car parked outside strip mall pizza joint. He dials phone.

TUGGY

I'd like to order a large pizza.
Yes, definitely delivery.

INT. INSIDE CAR - NIGHT

Outcasts lie perfectly still under clutter in back seat of car that SCREECHES to a halt. Door OPENS and SLAMS. FOOTSTEPS fade. Tuggy peeks up, sees pizza guy running off.

TUGGY

He's gone. Everybody out!

EXT. MATH BUILDING - NIGHT

Roomies crawl out of pizza delivery car.

ERIC

Tuggy, are we gonna pay for the pizza?

TUGGY

I delivered pizzas for years. Trust me. He'll find someone to to buy it. Look! The van! Into the bushes!

The white van is parked near the loading dock of the math building. The outcasts jump into nearby bushes. Eric sneaks back to delivery car, pulls cash out, drops in window.

BUSHES

ERIC

Alright Tuggy. What's Step 3?

TUGGY

Step 3?

ERIC

The next step in your plan?
Disguises. Get back on campus. And?

TUGGY

Oh. Right. Step 3. Stop The Campus
Bomber!

ERIC

And how are we gonna do that?

TUGGY

We'll rush the van. We can use
these water guns I grabbed from the
toy aisle.

ERIC

You want us to take out a deadly
bomber with super soakers?

PERCY

He's not deadly.

TUGGY

Of course we'll draw him out into
the open first. We can holler and
wave our arms like this, ahhhh, so
he thinks we're a lot bigger than
we are.

ERIC

I think that's what you do when you
see a mountain lion.

TUGGY

Deadly mountain lion. Deadly
bomber. Same thing.

PERCY

Guys.

ERIC

Give me one of those. If you
actually get me killed this time, I
swear I'll haunt you from the
grave, Tug.

CRAIG'S GHOST

Haunting's overrated.

Tuggy & Eric stand up, Percy pulls them back down.

PERCY

Wait! Let me talk to him. He used
to be my roommate.

ERIC

You lived with The Campus Bomber?

PERCY

Yes and stop calling him that. His name is John Robbins.

TUGGY

Whatever you call him, he's dangerous. He's probably got a gun.

PERCY

He doesn't have a gun. And even if if he does I'm so close to dying it doesn't matter anyway.

ERIC

Are you sick, Percy?

TUGGY

Are you contagious?!

Eric elbows Tuggy in ribs.

TUGGY

I mean are you okay?

ERIC

Tuggy, he just said he's dying.

PERCY

Just let me talk to him. He's my friend or at least he used to be.

TUGGY

Okay. Step 3. Percy talks to John Robbins.

Percy tentatively approaches van, disappears around back.

ERIC

What are you doing, Percy? We can't see you, buddy.

Hear van door SLIDE OPEN.

PERCY (O.S.)

It's Percy! Percy Rodgers!

Hear van door SLIDE CLOSE. Silence. Time passes.

ERIC

What's happening?

TUGGY

Should we rescue him?

Back door of van swings open. Percy emerges, waves others over.

PERCY
Come on. It's not what you think.
It's actually worse.

INT. INSIDE VAN - NIGHT

JOHN ROBBINS (The Campus Bomber), in driver's seat, offers his hand.

JOHN
Hey guys.

Nobody shakes John's hand.

PERCY
He wants us to help him.

TUGGY
Help him?!

ERIC
Are you crazy, Percy?!

PERCY
He's not gonna bomb Colby.

TUGGY
Sure he's not.

PERCY
Tuggy, he's not gonna bomb Colby
because he didn't bomb Colby in the
first place.

TUGGY
Uh huh. And what's all this? Just
scoping out campus for your
leisurely enjoyment?

JOHN
It's surveillance equipment.

TUGGY
I knew it!

JOHN
For watching Dean McCracken.

TUGGY & ERIC
McCracken?

PERCY
John didn't bomb Colby. Dean
McCracken did. And he thinks she's
gonna bomb Colby again.

Pause.

TUGGY

Oh sweet innocent Percy. You've obviously been taken in by the irresistible appeal of a charismatic bad guy.

PERCY

John? Charismatic?

Percy laughs. John lets out startling snort laugh.

ERIC

Okay. He's not charismatic. I'll give him that.

JOHN

Percy, I don't have time to convince these guys.

PERCY

You've gotta believe him.

TUGGY

She is a really awful person but--

ERIC

I believe you. I know what that woman's capable of.

TUGGY

You're right. Okay guys. We're in.

Tuggy holds out hand to John. They shake.

PERCY

What now?

TUGGY

Step 3. Stop Dean McCracken, the real Campus Bomber.

DRIVING VAN

PERCY

John had a student job in the alumni office.

JOHN

She was nuts. She'd go into her office and talk to herself.

TUGGY

(Gollum's voice)
My precious alumni fund.

JOHN

Exactly. I stuffed envelopes in that office for 4 year and she
(MORE)

JOHN (cont'd)
never talked to me once. Then guess
who comes up to me on my last day?

TUGGY
A stripper?

Eric glares at Tuggy.

JOHN
Close. McCracken. She starts
rambling on about what a huge
contribution I'm about to make to
Colby. I thought she was hitting me
up for a donation.

ERIC
She was getting ready to frame you
for the bombing.

JOHN
She's the one who told police they
saw me coming out of the building
right before it exploded.

PERCY
Which is a total lie.

ERIC
But why would she blow up a
building? Isn't she trying to raise
money to build buildings?

JOHN
For the money. The alumni fund was
way down and McCracken was about to
get fired. She was desperate. After
the bombing, donations poured in.
Enough for 2 or 3 buildings.
Instead of getting fired, McCracken
got a raise.

TUGGY
So Colby begs money from us so they
can pay McCracken to blow up Colby
so they can get more money from us?
Sound's like the alumni fund.

ERIC
Aren't you taking a huge risk
coming onto campus? They could
throw you in jail for life.

John parks.

JOHN
The way I live I'm already in jail
for life. I gotta find proof she
(MORE)

JOHN (cont'd)
 framed me. Besides, they won't
 catch me. I've been sneaking around
 Colby for years.

TUGGY
 I knew it! I've see you at our
 other reunions haven't I?

JOHN
 I wouldn't miss reunion.

INSIDE PODIUM

Bomb timer continues count down.

TUGGY (V.O.)
 Why do you think she's gonna bomb
 Colby again?

JOHN (V.O.)
 She's talking to herself again.

PERCY (V.O.)
 And the alumni fund is way down.

PARKED VAN

JOHN
 And I don't think it's a
 coincidence she put our class in
 the Math Building for reunion
 dinner either.

PERCY
 She wants everyone to remember what
 he did... I mean what she did.

Eric snaps.

ERIC
 So when she blows up another
 building your name will be in
 everyone's head. It's a reframe
 job.

Tuggy slides open van door.

TUGGY
 John, you stay here. We're gonna go
 get your proof. I bet I can get
 McCracken to show her hand. I've
 got a way of getting under people's
 skin.

JOHN & ERIC & PERCY & CRAIG'S GHOST
 That's true.

EXT. MATH BUILDING BUSHES

Ongoing class dinner can be seen through window as Jude pushes branches aside.

JUDE
Kitty? Here kitty kitty.

Cat springs out of bushes, runs away.

JUDE
Impossible. Come here girl. Daddy won't hurt you.

INT. DEAN MCCRACKEN'S OFFICE - NIGHT

Outcasts burst in on Dean McCracken who's on the phone.

DEAN MCCRACKEN
Thank-you officer.

Dean McCracken hangs up.

DEAN MCCRACKEN
Arthur. What a surprise. You've already found your way back onto campus. I just arranged for your escort to jail. And Eric. Yeah. You're alive.

ERIC
You're not gonna get away with this.

TUGGY
We know about the bombing.

DEAN MCCRACKEN
Whatever are you talking about?

Percy waves hands in front of Dean McCracken's face. McCracken doesn't react.

PERCY
Guys. She can't see me. I'll look for evidence.

Tuggy and Eric flash confused looks at one another.

DEAN MCCRACKEN
I'm just a dedicated staff person who's spent her entire life working tirelessly for ingrates like you.

TUGGY
You're an evil money grubber.

DEAN MCCRACKEN
Money grubber?! Who do you think
paid for you to go to Colby?

TUGGY & ERIC & PERCY
Our parents.

DEAN MCCRACKEN
Wrong! I did. The tuition we charge
parents doesn't begin to cover what
it cost to go here. And guess who
gets alumni to cover the
difference? I do! So I paid for you
to go to Colby!

INT. INSIDE VAN - NIGHT

John listens, surveils office conversation. Cat runs by van,
Jude follows.

DEAN MCCRACKEN (V.O.)
And have you payed it forward so
the next generation gets to fall in
love with Colby the way you got to?
No! In fact, you've done the
opposite!

INT. DEAN MCCRACKEN'S OFFICE - NIGHT

TUGGY
Happy to be of service.

Approaches Tuggy.

DEAN MCCRACKEN
Don't you get it, Arthur? You've
single-handedly made the Class of
'98 my biggest problem. And do you
know what my job is?

TUGGY
You don't know what your job is?
Wow. That explains a lot.

DEAN MCCRACKEN
My job is getting rid of problems.
So while I have no idea what bomb
you're talking about, I do plan to
eliminate my biggest problem in...
67 minutes.

TUGGY
What?!

ERIC
Tuggy, I think she's gonna bomb the
math building! tonight!

INT. INSIDE PODIUM

Bomb timer continues count down from 67:00.

DEAN MCCRACKEN (V.O.)
Wait a minute. You've been talking
about the bomb from 15 years ago? I
though you were talking about the
'presenation' I'm about to give
your ex-class.

DEAN MCCRACKEN'S OFFICE

DEAN MCCRACKEN
Isn't that a funny little mix up?

TUGGY
But you'll kill people!

DEAN MCCRACKEN
If the Class of '98 refuses to give
money to Colby, its my job to get
them to generate revenue however I
can. The only thing more lucrative
than a bombing is a bombing with a
little collateral damage.

Tuggy dials 911.

TUGGY
You're not the only one who can
call the police.
(talks into phone)
I'd like to report a bomb threat at
Colby College. The math building.
Please hurry.

Dean McCracken's phone rings.

DEAN MCCRACKEN
Hello? Another bomb threat? Of
course it's the math building. Yes,
I'm sure its just another prank.
I'll take care of it. Thank-you,
officer.

Dean McCracken hangs up. Points at herself.

DEAN MCCRACKEN
Somebody's called in quite a few
bomb threats over the years. I
guess the police don't take them
very seriously anymore.

Approaching police sirens wail in the distance.

DEAN MCCRACKEN
I think your escort's here, Arthur.

INSIDE VAN

John sees approaching police. Peels off.

DEAN MCCRACKEN'S OFFICE

DEAN MCCRACKEN
Sounds like your getaway car just
got away.

TUGGY
Get her.

Outcasts throw Dean McCracken to the ground.

TUGGY
We're gonna tell them everything!

DEAN MCCRACKEN
Be my guest, Arthur. I'm sure
they'll take your words over mine
seeing as you're such upstanding
citizens. And I bet they'll love
the pictures of you talking to the
Campus Bomber a few minutes ago.

TUGGY
Security will believe me!

DEAN MCCRACKEN
Tell whoever you want, Arthur.
Don't you get it. You're not worth
listening to anymore.

ERIC
Tuggy. We gotta get out of here.

Outcasts release Dean McCracken, head for door.

TUGGY
I'm not gonna let you hurt my
friends!

DEAN MCCRACKEN
I'm not the one hurting them. You
are. You told them not to donate to
Colby.

Tuggy rushes back.

TUGGY
What if I come up with some money?
Would you stop the bomb?

Dean McCracken moves to her computer.

DEAN MCCRACKEN

What bomb? Now, let's see. The class of '98's giving goal is \$100,000 and your classmates have managed to donate \$2601 so far. Almost \$98,000 in 61 minutes? You never know. I'd hurry if I were you. You too Percy.

Percy is surprised she can see him.

EXT. LIBRARY LAWN - NIGHT

Outcasts huddle behind a tree.

ERIC

How are we gonna get our class to donate that much money? They just voted us off campus.

TUGGY

We're not gonna ask our class.

ERIC

Did I miss something? Is one of us rich?

TUGGY

We're gonna ask the other reunion classes. We'll split up. I'll take the young alumni.

Tuggy gives a double thumbs up.

ERIC

Tuggy I think your passion for Colby resonates a little better with the older classes.

TUGGY

Fine. You take the young classes.

PERCY

I'll take everybody else.

TUGGY

Meet back here in exactly 45 minutes. We can do this, guys!

Tuggy, Eric, and Percy run off in different directions.

AROUND CAMPUS MONTAGE

- Eric sits, holds cardboard sign: PLEASE GIVE ME \$98,399. Young alumni ignore Eric as they mingle around him.
- Percy pick pockets of alumni who can't see him.
- Tuggy is a huge hit with older alumni.
- Jude follows cat across lawn.

INT. INSIDE PODIUM

Bomb timer continues count down from 15:00.

TUGGY (V.O.)
How'd we do?

EXT. LIBRARY LAWN - NIGHT

Outcasts place money in pile. Percy counts.

PERCY
\$38 dollars. We're short.

ERIC
Tuggy. What about the money you raised?

TUGGY
No. Colby doesn't get a dime of that money. Besides. We're not short. Check this out.

Tuggy pulls out a check.

ERIC & PERCY & CRAIG'S GHOST
\$100,000?! How?

TUGGY
Gladys! From the parade! Apparently she really appreciated our help with the oxygen tank. I think she might love Colby more than me.

ERIC
I doubt that, buddy. Come on.

EXT. ALUMNI BUILDING TREE - EXT

Cat climbs tree next to alumni building. Jude follows.

JUDE
Here girl. It's okay.

Jude sees outcasts rush into Dean McCracken's office through her open office window.

INT. DEAN MCCRACKEN'S OFFICE - NIGHT

DEAN MCCRACKEN
Well if it isn't the outlaws again.

Percy slams money, check onto desk.

PERCY
\$100,038!

TUGGY

You said if we met the class goal
you'd stop the bomb. So, stop the
bomb.

DEAN MCCRACKEN

No.

TUGGY & ERIC & PERCY

What?!

DEAN MCCRACKEN

First off, I don't know what bomb
you're talking about. Secondly you
didn't meet your class goal because
the fiscal year for the alumni fund
ended at noon today. Did I forget
to mention that? My mistake. Good
news, though. This generous
donation puts the class of '98 in
the lead for next year. Wow. I
never thought I'd hear myself say
that.

ERIC

You're a murderer!

DEAN MCCRACKEN

I'm a patriot! You spoiled alumni
brats want to go around bragging
about this ranking and that
ranking. Well this is what it takes
to keep Colby great. If you wanna
eat sausage then you gotta butcher
the pig!

ERIC

John was right. She's nuts. She's
really gonna blow up our class.

TUGGY

You guys stay here. I'm going over
there.

PERCY

Are you kidding?

ERIC

Tuggy, we're going with you.

INT. INSIDE PODIUM

Bomb timer continues count down from 7:00.

DEAN MCCRACKEN (V.O.)

Enjoy my presentation!

EXT. ALUMNI BUILDING TREE - NIGHT

Jude, mouth agape, records window scene with his phone.
Kitty sits on Jude's shoulder.

JUDE
Did you see that, girl?

CAT
Meow.

EXT. FRONTAGE ROAD - NIGHT

John's van pulls alongside running outcasts.

INT. VAN - NIGHT

PERCY
John, I figured you'd be miles away
by now.

JOHN
And leave my best friend in a
lurch?

PERCY
I'm your best friend? You're my
best friend!

Van creeps into math building parking lot. Security is
parked by front doors.

ERIC
Security's guarding the door.

JOHN
I'll take care of security. You
guys go.

EXT. MATH BUILDING - NIGHT

Outcasts watch van swerve onto grass, zoom by security. John
leans out window.

JOHN
Seen any campus bombers lately?!

John speeds off, security chases in golf cart.

TUGGY
That's our cue.

INT. MATH BUILDING / LOBBY - NIGHT

Tuggy, Eric, & Percy sprint into ongoing dinner.

TUGGY
(screaming)
Guys! I bet she put the bomb in one
of the display cases!

Outcasts demolish display cases. Room goes quiet.

TUGGY
I guess it's not in the display
cases.

Tuggy runs to podium.

TUGGY
Everybody, listen up! A bomb's been
planted somewhere in this building.
Everyone needs to exit immediately!

Silence. Dr. Morday stands up at his table.

DR. MORDAY
How stupid do you think we are,
Arthur? We're not gonna fall for
another one of your jokes. Someone
call the police.

Eric rushes up to podium.

ERIC
He isn't joking! This building is
about to explode! You guys gotta
get outta here now!

CLASSMATE #1
Hey. It's Eric.

CLASSMATE #2
He's alive!

CLASSMATE #3
Hey. I've been sending yearly
checks to his memorial fund. He's
been scamming us!

CLASSMATE #4
He's a liar!

ERIC
It wasn't a lie, it was a joke.
Anyway. That doesn't matter. The
bomb is real.

CLASSMATE #1
Like you being dead is real?

ERIC
(to outcasts)
Help me out here guys

Percy rushes up to podium.

PERCY
You gotta believe us! Dean
McCracken planted a bomb in here.

Classmate #1 leans over to Classmate #2

CLASSMATE #1
I just had the weirdest thought.

Classmate #2 turns to Classmate #1

CLASSMATE #2
That Dean McCracken planted a bomb
in here?

CLASSMATE #1
Yeah. Why would we think that?

Ah-ha expressions emerge on their faces.

CLASSMATE #1 & #2
We both had the fish.

DR. MORDAY
Grab them!

Classmates grab outcasts. Lance, sitting next to Dr. Morday,
leaps up.

LANCE
Wait!

Lance runs to podium.

CLASSMATE #3
Who is that guy?

CLASSMATE #4
Was he a transfer?

DR. MORDAY
Don't be a sucker, Steve. You're
playing right into Arthur's hands.
All this melodrama, it's an act.

LANCE
My name is Lance. And so what if it
is an act? Sure. Tuggy's a little
out of control. But don't you guys
ever feel little too in control?
All his melodrama. It just gave me
the best 24 hours of my life. And I
bet he's done the same for most of
you. Isn't that why we came to
reunion? To have the time of our
lives? If Tuggy doesn't throw
(MORE)

LANCE (cont'd)
mashed potatoes at our heads this
is just another forgettable dinner
party.

Classmate #4, face covered with mashed potatoes.

CLASSMATE #4
He's right.

Tuggy frantically gestures at Lance to hurry up.

LANCE
So who cares if he's joking? He's
giving us a gift and I for one am
gonna accept that gift.

Lance pretends there's a bomb by slow motion running off
stage, waving his arms, and playfully screaming.

LANCE
Oh no! There's a bomb! Everybody
run!

Lance runs by Dr. Morday's table.

DR. MORDAY
If you leave don't even think about
coming back and sitting at my
table.

LANCE
I won't be able to. You're table's
about to explode. Ahhhh!

Lance kicks over some chairs. No one follows. Beth finally
stands.

BETH
Lance is right! We better get out
of here!

Beth winks at Tuggy. Beth and Beth's Son laugh as they exit
in same playful, exaggerated manner. Other classmates join
in the fun.

ERIC
They're leaving!

PERCY
There's still a few stragglers.

TUGGY
I'll take care of them.

Tuggy grabs Baby carrier, holds over his head.

TUGGY
I'm stealing Carson's baby!

CARSON

Stop him!

Remaining classmates chase Tuggy out of building. Caterers look at each other and run out as well. Only Dr. Morday and his family remain seated. Dr. Morday gives 'Stay' hand gesture to his family.

DR. MORDAY

Stay!

PERFECT WIFE

What if there really is a bomb?

DR. MORDAY

There isn't a bomb. This is what Tuggy does. If we leave he wins.

PERFECT WIFE

Well I'd rather lose then let myself get blown up with a... selfish ninnie!

Perfect Wife guides Perfect Son towards the exit.

DR. MORDAY

You don't mean that! You can apologize when you come back.

Eric whistles. Freedom jumps up, runs to Eric.

DR. MORDAY

Freedom, stay! Bad dog! Bad family!

EXT. MATH BUILDING - NIGHT

Classmates pour out of building, laughing, fake screaming.

LANCE

Oh no! It's gonna blow!

CLASSMATE #1

This is fun!

CLASSMATE #2

Totally.
(screaming)
I'm gonna die!

Tuggy runs far away from the building, chased by a group of angry classmates. He gently sets Baby down, runs off. Angry classmates stop at Baby.

ERIC

It's working!

PERCY

Keep people moving away from the building.

PERFECT WIFE
My husband! He's still in there!

Tuggy runs back into math building.

ERIC
Tuggy! Don't! It's too late!

Lance continues to lead laughing classmates away from building.

LANCE
We better get really far away
before...

BOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO! Math Building explodes. All are thrown to the ground.

ERIC
Tuggyyyyy!

EXT. LIBRARY LAWN - NIGHT

The explosion shakes security's golf cart as they chase van.

SECURITY TED
Stop! Turn around!

SECURITY ROOKIE
But he's getting away.

SECURITY TED
My students were in there! Go back!

EXT. ADMINISTRATION BUILDING PARKING LOT - NIGHT

Dean McCracken driving a golf cart over the grass.

DEAN MCCRACKEN
Time to make some money.

EXT. MATH BUILDING - NIGHT

Dean McCracken drives up.

DEAN MCCRACKEN
Not again! How are we ever going to
raise enough money to pay for this?

PERCY
It was her!

No one notices Percy.

ERIC
She did this!

DEAN MCCRACKEN

Eric Davis? You're alive! Wait a minute. Weren't you disguised like a homeless man yesterday?

CLASSMATE #1

Hey. She's right. Why was he wearing a disguise?

ERIC

I wasn't wearing a disguise. I'm really homeless.

DEAN MCCRACKEN

Our security cameras have pictures of you and Arthur standing near a white van outside the math building.

ERIC

She's a liar! She's trying to blame this on us!

DEAN MCCRACKEN

I'm lying? I'm not the one who pretended to be dead and homeless.

CLASSMATE #1

So you weren't talking to someone in a white van?

ERIC

Well, yes, we were but it's not what you think.

CLASSMATE #2

I think Eric's the liar. He and Tuggy had something to do with this.

Classmates grab Eric.

DEAN MCCRACKEN

Where's Arthur?

ERIC

You just murdered him!

CLASSMATE #1

He went back inside.

DEAN MCCRACKEN

What a shame. Killed by his own bomb.

PERCY

It was your bomb!

LANCE
Tuggy didn't do this!

DEAN MCCRACKEN
How do you know Tuggy didn't do this? The Tuggy I knew was a failure at life who always took pranks way too far.

CLASSMATE #2
Maybe getting kicked out just sent him over the edge.

ERIC
He just ran into a building to save our classmate! A building he knew was about to explode! How can you guys turn on him like this?!

DEAN MCCRACKEN
They're simply looking at the evidence, Eric. And the evidence says you and Tuggy did this.

Security cart screeches to a halt. They leap out. Sirens wail in distance.

SECURITY ROOKIE
We've got to call in an A.P.B.! We just saw The Campus Bomber!

Classmates gasp.

DEAN MCCRACKEN
Was he driving a white van?

SECURITY TED
Yes!

Security runs off.

DEAN MCCRACKEN
I guess that proves everything. Tuggy and Eric were working with the Campus Bomber.

Classmates gasp again.

PERCY
That's doesn't prove anything!

CLASSMATE #1
I can't believe Tuggy tried to kill us.

CLASSMATE #2
I can.

ERIC

He didn't try to kill you! He just saved you!

Dean McCracken secretly flashes an evil smile at Eric.

PERCY

It was her!

Jude arrives. Cat is on his shoulder.

JUDE

Let him go! Percy's right!

CLASSMATE #1

Who?

JUDE

Percy.

CLASSMATE #2

Oh. Hi, Percy. When did you get here?

JUDE

I've got proof it was McCracken!

Jude shows crowd video on his phone.

JUDE

Arrest her!

DEAN MCCRACKEN

For what? All this shows is Eric breaking into my office. I'm clearly the victim in this video.

CLASSMATE #1

But you took that money.

DEAN MCCRACKEN

That's my job. It's obvious why they came to my office. They were trying to frame me for this bombing. Jude's probably in on it.

JUDE

What?!

ERIC

She's trying to frame us!

Dean McCracken grabs Jude's phone.

DEAN MCCRACKEN

This video doesn't prove I'm guilty. It proves they're guilty!

CLASSMATE #1
How could you try to blow us up,
Eric?

Assistant runs up.

ASSISTANT
Because he didn't!

DEAN MCCRACKEN
What are you doing?

ASSISTANT
Explain these.

Assistant produces box with printer's logo.

DEAN MCCRACKEN
Nobody look in that box! I told
that was private. After all I've
done for you.

ASSISTANT
After all you've done for me?

Assistant opens box, hands out pamphlets.

PERCY
What are they?

ERIC
They're fund raising pamphlets.

ASSISTANT
They're fund raising pamphlets for
this bombing! Dean McCracken had
them printed yesterday. Here's the
receipt!

CLASSMATE #1
Hey! Where'd she go?

CLASSMATE #2
Look! She's heading for the
arboretum!

Dean McCracken speeds her cart towards trees in the
distance. Lance looks at security's empty cart.

EXT. COLLEGE ARBORETUM - NIGHT

Dean McCracken zooms through forest, laughs maniacally.

DEAN MCCRACKEN
I always hated this place! Good
riddance to bad rubbish! I'll move
somewhere warm. This is actually
the best thing that's ever happened
to me!

Out of nowhere Lance rams his speeding golf cart into Dean McCracken. She flies through the air.

DEAN MCCRACKEN

Ahhhhhh!

LANCE

Sorry. New driver.

EXT. MATH BUILDING - NIGHT

Fire fighters battle fire in background. Bandaged Dean McCracken is put into a police car. Lance walks up behind Eric and Percy and puts his arms on their shoulders.

LANCE

Tuggy was such an amazing person.

Soot covered Tuggy and Dr. Morday appear.

TUGGY

Who was an amazing person?

LANCE & ERIC & PERCY

Tuggy!

PERFECT WIFE

Gordon!

Perfect Wife kisses Dr. Morday. Lance kisses Tuggy.

TUGGY

Dude. You just kissed me.

LANCE

We're in college.

ERIC

How'd you...

TUGGY

Master key. And superior knowledge of Colby's steam tunnels.

DR. MORDAY

I heard beeping and next thing I know Tuggy's throwing me through a hole in the floor. And then boom!

PERFECT WIFE

You saved his life!

TUGGY

He would have done the same for me.

Percy, Lance, and Eric smile skeptically at each other.

DR. MORDAY

I owe you, Tuggy. Anything you want, for the rest of your life, it's yours.

TUGGY

How about voting me back into the class, Doc.

DR. MORDAY

I move that we proudly recognize Tuggy as a member of the Colby class of 1998!

CLASSMATES

Second!

DR. MORDAY

All in favor?

CLASSMATES

Aye!

Classmates rush over to Tuggy, lift him up.

CLASSMATES

Tuggy! Tuggy! Tuggy!

Lance, Eric, and Percy clap, smile, cheer.

AROUND FIRE

Everyone is draped in silver blankets. They drink beer as firefighters continue battling fire.

TUGGY

Now this is a bonfire!

Beth's Son laughs.

BETH'S SON

Can Tuggy come over to our house?

BETH

I don't think Tuggy wants to--

TUGGY

Now hold on. Tuggy might want to.

AROUND FIRE

PERCY

I was thinking, John. Maybe we could get an apartment together.

JOHN

That would be awesome!

CRAIG'S GHOST
Well done, Percy.

AROUND FIRE

LANCE
I know I almost just died but this
has been the best weekend of my
life.

ERIC
Hanging out with Tuggy's like that
sometimes.

LANCE
You know I've been wondering.
Why'd they shorten the name of the
college.

ERIC
What are you talking about?

LANCE
You know. It used to be
Colby-Sawyer and now it's just
Colby.

ERIC
The name didn't get shortened,
Lance. Colby-Sawyer is a different
college in New Hampshire. You're at
Colby College in Maine.

LANCE
Oh no.

ERIC
Did you just go to reunion at the
wrong college, Lance?

LANCE
I might have.

ERIC
No. I think you're at the right
college.

AROUND FIRE

PRESIDENT SPARKS, 60s, business suit, appears.

PRESIDENT SPARKS
I hear we have some heroes.

DR. MORDAY
President Sparks! They saved
everybody!

Dr. Morday points to Tuggy, Eric, and Percy

TUGGY

It wasn't just us, sir.

PRESIDENT SPARKS

But you're the ones who risked your lives for your classmates. You're the kind of people I want building Colby's future. If you're interested?

ERIC

Are you offering us jobs?

PRESIDENT SPARKS

That's precisely what I'm doing.

ERIC

But I'm...

PRESIDENT SPARKS

I aware of your previous circumstances, Eric.

PERCY

John? Would you want to live in Waterville?

JOHN

Actually, I already do.

PERCY

Really?

JOHN

What with all the surveillance I was doing.

ERIC

I'd love to work at Colby. I'm ready to be from somewhere again.

PRESIDENT SPARKS

Tuggy?

TUGGY

No offense, sir, but I think its time for me to leave Colby. I was thinking maybe I might move down to Boston.

(smiles at Beth)

Maybe ask a friend to help me get a real job.

(smiles at Lance)

PRESIDENT SPARKS

I understand.

LANCE
Excuse me, sir. I have an idea how
we could keep Tuggy at Colby.

TUGGY
Lance, I appreciate it but--

LANCE
Tuggy. Trust me. If I were to make
a sizable donation to Colby, do you
think we could name the new math
building Tuggy Hall?

PRESIDENT SPARKS
I love it.

LANCE
What do you think, Tuggy?

Tuggy gives exaggerated two thumbs up.

TUGGY
Thumbs up! Durrrrrr!

LANCE (V.O.)
They say the friends you make in
college are the best friends you'll
ever have. I've found this to be
true, although I didn't meet my
college friends until 15 years
after we graduated. And didn't meet
them at my colle. And of course it
took getting blown up to bring us
together. But the important thing
is I found them and I found myself
in the process.

THE END

ROLL ENDING CREDITS

INT. STUDENT UNION LOBBY - DAY

Tuggy rehangs his picture in the student pub.

EXT. POTTER LAKE - DAY

Tuggy scatters Craig's ashes.

INT. LIVING ROOM SUBURBAN HOUSE - DAY

Beth, Beth's son, Tuggy lounge.

TUGGY
Kitty! Come!

Snaps fingers. A few seconds later a cat jumps up on
Tuggy's lap.

BETH

Wow, Tuggy, you really are a lion
tamer.

TUGGY

Amongst other things

Fake scares Beth's Son, who giggles.
